Unsung Heroes Of The Bible:

Nameless Heroes of the Bible Carl Wells, 2012-06-07 Nobody knows their names Except God and perhaps several million billion of their closest friends in heaven The Bible gives us true stories about a large handful of fascinating but nameless people You and I are like them We too will be nameless to history And we too have an opportunity to act in ways that have a profound effect for good on the way history unfolds on the earth They are Nameless Heroes of the Bible What do they have to teach us *The Unsung Heroes and Heroines of the Holy Bible* Sunny Eronmose Isuekebhor, 2015-08-19 When you and I read the Holy Scriptures we look out for the giants like the Apostle Peter whom Jesus appointed the leader of the Apostles or we give our attention to Paul the apostle to the none Jewish believers and Moses always grabs our attention of course However there are people in the Bible who play such special roles that their stories contribute tremendously to make the book the most exceptional book known to man My purpose for writing this book is to call attention to the revelation the Spirit brought to me a while ago He said I do not determine value with the metrics or measurements that humans use For instance the prophets in the Old Testament are grouped into Minor Prophets and Major Prophets by man and those two categories are determined by the size of the book that the prophets were inspired to write prophets who wrote large volumes are classified as major and those who wrote smaller volumes are described as minor However when I chose my own Major Prophet to appear alongside Moses My Servant during the transfiguration of the Son I chose someone who did not write even a sentence I chose Elijah So you see that I do not use the measure of men Thus I write to draw the attention of the body of Christ to those characters that we have neglected because they are either mentioned once in the scriptures or their stories are so short that they seem insignificant My decision is in keeping with the truth of the Word in 1 Corinthians 12 that the very members of Christ s body which seem to be the feeblest are very necessary This book is also written to encourage Christians who are doing the apparently insignificant things in the churches of Christ and in all true ministries all over the world that the Lord observes everything and His Word to those who did big things and those who did small things will be same You have been faithful over a FEW things I will make thee ruler over MANY things Enter thou into the joy of thy Lord How gracious As I prepared to write this book I was amazed to see the roles that these unsung heroes and heroines played in the gospel of God s Son and I have learned a lot from paying attention to those characters that I have hitherto ignored Another thing that absolutely shook my knowledge of the scriptures is about the financial sponsorship of the Lord s ministry while He walked the land of Israel So how did Jesus get money for the ministry The answer is here we are told that there were women who followed Him everywhere rich women women who had been healed from sicknesses and diseases and some of them delivered from demon oppression and possession and that those women ministered to Him or continuously donated money to him from their substance or savings and incomes Three of them are mentioned as Mary Magdalene Joanna and Suzanna and the rest are described as Many Others or many other women Wow The ministry of the Lord while He walked the

earth was sponsored mainly by women these women will be the first heroines that we will examine in this book and they appear in chapter three and thankfully the number of the leaders 3 is in alignment with the chapter number what a mighty God we serve In this book you will encounter names you did not even realize existed in the Bible but their stories will so bless you that you will not forget their names and the sight of those names will bring smiles to your face when you see them after you read this book You will meet Stephanas Dionysius Tychicus Rhoda Epaphroditus Susanna Joanna Onesiphorsu Sylvanus and many others This book is called The Unsung Heroes and Heroines of the Holy Bible and it is yours to enjoy and share with family friends Learn everything you can from these minor characters of the scriptures read the book as many times as you can and I promise you that with every read you will learn vital new truths *Unsung Heroes (and a Few Villains)* Wanda Robinson,2014-12-10 Who Are They So often when we read the Old Testament all we notice are the superheroes of faith larger than life men like Abraham Moses and David We may have trouble relating to men of such spiritual stature We think I ll never have the faith of Noah or Joseph But there are other people in the Bible unsung heroes whose lives and faith made a difference on a smaller scale people more like us We can identify with people like Ithamar the list maker Or how about Caleb Nabal s servant and Ebed Melech who all made a stand for what was right Wanda Robinson s study on relatively unknown men in the Bible is full of lessons on living God s way Super power your faith with a look at these unsung heroes and a few villains along the way **Minor Characters of the Bible** Paul William Bass,2010 Echoes of Bravery and Faith Dr Esona Fomuso,2024-09-09 This book is intended to shine a light on some of the unsung heroes of the Bible people whose stories might not be as famous or popular as others but who played crucial roles in God s plan These individuals acted with courage wisdom and integrity even in the background often unnoticed by many Their stories hold potent lessons that can inspire us today especially for those who feel overlooked or marginalized As we explore each hero we ll dive into their stories discuss key themes and consider how to apply these lessons Each chapter includes an overview Bible verse key themes Bible study lessons modern takeaways application highlights of today s impacts discussion questions and prayer points to help us reflect and grow *Minor Characters of the Bible* Paul W. I Want It All Jennifer Jill Schwirzer,2002 Each section of this teen devotional includes a Bible story a contemporary story or parable lists of relevant things to discuss and things to do and a reaction by a teen to the theme question

Journey through Exodus Mike Newberry,2023-03-27 In my years of studying the Bible I have found several spiritual principles to be very appealing I have read the promises about the possibility of being an overcomer In the seven letters of Revelation 2 and 3 one reoccurring thing is the promises to the overcomers If one thinks about it you can either be an overcomer or be overcome The choice is easy I would rather be an overcomer I have read the verses about the possibility of living life daily aided by heavenly wisdom Listen to James 1 5 If any of you lack wisdom let him ask of God that gives to all men liberally and upbraids not and it shall be given him I have often asked the church On any given day how often do we need the wisdom to make decisions and find needed direction To answer that question with one hundred would be conservative To add to wisdom we are told that we can tap into the heavenly supplies of strength energy power and patience According to James 1 5 God s not going to fuss at you if you keep coming back again and

again asking for more The key to these and all the promises of the Bible are found in the discipline of a daily quiet time When I was in college with God s help I developed this discipline to attribute any spiritual success any success in my Christian life to the help I have found in this daily time with God and my Bible To remove any excuses I have written devotionals for my church We have started in chapter 1 verse 1 of a book in the Bible and have worked our way through it We have covered Genesis Exodus Philippians and Leviticus to mention a few and as long as God gives me strength we will continue The pages in this book contain our thoughts and our understanding of our journey through Exodus Unsung Heroes and Obscure Villains of the Bible Bill Fortenberry,2017-11-18 Do you know the name of the king of Israel who reigned before Saul Do you know the name of the spy who told David everything Absalom was planning Do you know why the Gospel of Mark is so much shorter than the other Gospels In Unsung Heroes and Obscure Villains of the Bible Bill Fortenberry explores the lives of biblical characters that you never learned about in Sunday School Most people are familiar with men like Joshua and David or Paul and Timothy but it is really the little guys who are the most crucial to the story of the Bible These unsung heroes and obscure villains tell a tale of mystery and adventure that takes the Bible beyond a collection of Sunday School stories and turns it into a riveting thriller of the battle between good and evil *Be Heroic (Minor Prophets)* Warren W. Wiersbe,2010-09-01 We all admire the hero That person who s celebrated for accomplishing big things in the face of even bigger odds Yet heroes aren t defined by their circumstances but by their choices They re people who continually choose to serve others even when no one is watching and without expecting credit Based on the books of Ezra Haggai and Zechariah this study examines three unsung heroes of the Bible who can inspire us today Part of Dr Warren W Wiersbe s best selling BE commentary series BE Heroic has now been updated with study questions and a new introduction by Ken Baugh A respected pastor and Bible teacher Dr Wiersbe shares small ways we can make a big impact Because when it s all about being a servant we all have what it takes to be a hero **God's Brave Helpers** Esona Fomuso,2024-08-28 Welcome to God s Brave Helpers This first book is full of amazing stories about some of God s special helpers in the Bible These people didn t always get a lot of attention but they did very important things that helped others and made God happy Each chapter tells the story of one of these unsung heroes teaches us a lesson we can learn from them and includes some fun activities and prayers These stories will show you that even if you re not famous you can still make a big difference by being brave creative wise and kind just like these Bible heroes **Minor Charcters of the Bible** Paul William Bass,2010-07-01 The work is a collection of sermons each introduced during a children s time in worship services at Anchor Baptist Church in the Brown Springs community of south central Arkansas The children were encouraged to memorize the alphabetical listing of minor characters and were encouraged to read aloud the assigned scriptures during the sermon This book is a follow up book to the study of the names and titles for Jesus in the Bible published in the book *In Jesus Names* *The Multilingual God* Steve Fortosis,2012-06-28 Stories of Translation Some decades ago the prospect of reaching the entire world with the gospel appeared very dim indeed

In a world population that was virtually exploding with growth how could Christians begin to reach the billions of fellow humans Then missionaries began mastering the multiplied languages on earth placing the Bible on paper making recordings of the gospel and beaming the Word of God out on radio and television waves A portion of the Bible was translated painstakingly into over a thousand languages The entire Bible was translated into several hundred There was reason to be hopeful Missionaries taught nationals how to plant churches Then nationals started planting churches and churches begat churches Bible translators had and continue to play a crucial role in the mission of reaching every people with the gospel and this book describes how Follow them into the fascinating exciting world of Bible translation

Angels Throughout the Bible Rayfiel Mychal, 2018-05-02 Angels Throughout the Bible Story of the Unsung Heroes Who are the angels and what are the nine choirs of angels Find out how they were created their interactions with humankind and their role in the Apocalypse This book details the stories and teaching of the angels throughout the Bible starting from their creation in the Book of Genesis all the way until the Book of the Apocalypse This book takes the perspective of their history within the Bible as well as their miraculous acts and battles

Rahab Shadia Hrichi, 2023-10-31 Step into the story of Rahab a woman who witnessed no miracles and knew none of God's laws She merely heard of God's power and believed The story of Rahab appears after God commissions Joshua to lead the Israelites after the death of Moses No sooner do the people come to the edge of the Promised Land than God puts the whole drama on hold to tell us the story of a Canaanite prostitute This interruption of the conquest story gives us our first glimpse into the theological significance of Rahab's story In the New Testament Rahab holds a surprisingly prominent position in several key faith passages as well as being listed in the lineage of Christ In fact she marries a prince The prostitute marries a prince This is the stuff of movies The heartbeat of the Bible is God's passionate pursuit of his adulterous Bride a theme that echoes within the depths of every human heart But the best part Rahab's story is our story It's a story centered on three key themes without which there would be no Bible no gospel and no Savior faith grace and salvation Through her daring faith Rahab hid enemy spies defied her king risked her life and found the living God By the time you finish this six week study you will never look at the story of Rahab the same way again
