Lynn Derrick, 2018-11-21 This is not for the faint of heart nor for Christians who want to be entertained This is for hungry Bible students seeking vast deep answers to a vast deep subject the all important subject of Love This book could and should be the standalone text for an 8 credit hour college course mandatory for every accredited Bible student And it is a must for every layman who wants to understand the most important teachings of the Bible on a serious level Jesse Steele Moody Bible Institute Alum This book is offered to help you love the Lord with your whole heart and to better know your Creator It is intended to help clarify some lingering misunderstandings that trace back far into biblical history The book deals with the righteousness and holiness of God as seen in His laws but from a New Covenant perspective love Showing the distinction between the dispensational Law of Moses and the eternal and unchanging Law of God the book focuses on love as love is the focus of both the Law of God and the Law of Moses Rom 13:8 It's all about loving God with all your heart and loving your neighbor as yourself even loving your enemy With man this is impossible but with God all things are possible These matters have the greatest bearing on our future reward in the heavenly kingdom and upon the power of our ministry today With a clearer view of this line in the Bible it is our prayer that we will all stand more confidently as we await and hasten the return of our Lord Seek first his kingdom and its righteousness and all these things will be added unto you The book also covers emerging research regarding the 364 day calendar of the books of 1st Enoch and Jubilees and how to manage it in a 365 day context I think you will enjoy studying this with us Think about it your Creator wants to have dates with you on the dates that his feasts have been observed in the heavens since creation As we journeyed through these things I was humbled to receive seven dreams from the Lord to help shepherd us through which I document in the appendix Several in our extended family have also been warned and encouraged in dreams The arm of Yahweh is not short to also give you dreams and other works of the coming kingdom But it all begins with desperate searching in his Word Keep asking and you will receive Keep seeking and you will find Keep knocking and it will be opened to you **The Desiring Modes of Being Black** Jean-Paul Rocchi, 2018-08-24 A critique of theory through literature that celebrates the diversity of black being The Desiring Modes of Being Black explores how literature unearths theoretical blind spots while reasserting the legitimacy of emotional turbulence in the controlled realm of reason that rationality claims to establish This approach operates a critical shift by examining

psychoanalytical texts from the literary perspective of black desiring subjectivities and experiences This combination of psychoanalysis and the politics of literary interpretation of black texts helps determine how contemporary African American and black literature and queer texts come to defy and challenge the racial and sexual postulates of psychoanalysis or indeed any theoretical system that intends to define race gender and sexualities The Desiring Modes of Being Black includes essays on James Baldwin Sigmund Freud Melvin Dixon Essex Hemphill Assotto Saint and Rozena Maart The metacritical reading they unfold interweaves African American culture Fanonian and Caribbean thought South African black consciousness French theory psychoanalysis and gender and queer studies

The Butterfly Effect of Grace Rex G. Russell, 2011-08 For over 25 years Rex has taught with one simple theme you matter to God Somehow we have missed that The unconditional mercy and grace that flow from the heart of God draws us to Him Nothing we will ever do good or bad would ever cause the heart of God to love us any more or less than he does right now When that truth soaks in you and I will be able to live the life that God has called us to live The smallest of things we do and say matter deeply to God and to those around us Grace extended to others has a ripple effect When we step out of our comfort zone and touch the world around us something happens Broken hearted people start to mend They begin to connect the dots to God That is a good thing a very good thing It can cause a butterfly effect of grace
