Until I Find You:

Until I Find You Rea Frey, 2020-08-11 In *Until I Find You* celebrated author Rea Frey brings you her most explosive emotional taut domestic drama yet about the powerful bond between mothers and children and how far one woman will go to bring her son home Frey is a rising star in the suspense scene Booklist 2 floors 55 steps to go up 40 more to the crib Since Rebecca Gray was diagnosed with a degenerative eye disease everything in her life consists of numbers Each day her world grows a little darker and each step becomes a little more dangerous Following days of feeling like someone's watching her Rebecca awakes at home to the cries of her son in his nursery When it's clear he's not going to settle Rebecca goes to check on him She reaches in Picks him up But he's not her son And no one believes her One woman's desperate search for her son In a world where seeing is believing Rebecca must rely on her own conviction and a mother's instinct to uncover the truth about what happened to her baby and bring him home for good Completely captivating utterly compelling a must read Liz Fenton Lisa Steinke authors of *The Two Lila Bennetts*

Until I Find You John Irving, 2009-02-24 *Until I Find You* is the story of the actor Jack Burns his life loves celebrity and astonishing search for the truth about his parents When he is four years old Jack travels with his mother Alice a tattoo artist to several North Sea ports in search of his father William Burns From Copenhagen to Amsterdam William a brilliant church organist and profligate womanizer is always a step ahead has always just departed in a wave of scandal with a new tattoo somewhere on his body from a local master or scratcher Alice and Jack abandon their quest and Jack is educated at schools in Canada and New England including tellingly a girls school in Toronto His real education consists of his relationships with older women from Emma Oastler who initiates him into erotic life to the girls of St Hilda's with whom he first appears on stage to the abusive Mrs Machado whom he first meets when sent to learn wrestling at a local gym Too much happens in this expansive eventful novel to possibly summarize it all Emma and Jack move to Los Angeles where Emma becomes a successful novelist and Jack a promising actor A host of eccentric minor characters memorably come and go including Jack's hilariously confused teacher the Wurtz Michelle Maher the girlfriend he will never forget and a precocious child Jack finds in the back of an Audi in a restaurant parking lot We learn about tattoo addiction and movie cross dressing sleeping in the needles and the cure for cauliflower ears And John Irving renders his protagonist's unusual rise through Hollywood with the same vivid detail and range of emotions he gives to the organ music Jack hears as a child in European churches This is an absorbing and moving book about obsession and loss truth and storytelling the signs we carry on us and inside us the traces we can't get rid of Jack has always lived in the shadow of his absent father But as he grows older and when his mother dies he starts to doubt the portrait of his father's character she painted for him when he was a child This is the cue for a second journey around Europe in search of his father from Edinburgh to Switzerland towards a conclusion of great emotional force A melancholy tale of deception *Until I Find You* is also a swaggering comic novel a giant tapestry of life's hopes It is a masterpiece to compare with John Irving's great novels
