

The background of the image is a romantic sunset scene. The sky is filled with soft, orange and yellow clouds, and the sun is low on the horizon, creating a warm, golden glow. In the foreground, there are rolling sand dunes with gentle ripples in the sand. The overall mood is peaceful and loving.

I know I've loved you since I took my
first breath on this earth. I've been
waiting for you my whole life, and I will
love you even after this world takes me.

Until My Whole Life Could Belong:

The Life of John Middleton Murry F.A. Lea, 2021-09-11 First Published in 1959 The Life of John Middleton Murry is the first biography of one of the most controversial figures in English letters Many people know Middleton Murry in one or other of his capacities as editor of the avant grade magazine Rhythm while he was still an undergraduate of The Athenaeum in its last most brilliant phase The Adelphi in the 1920s Peace News in the 40s as the foremost critique of his day as author of some forty books on literary religious and social questions as the husband of Katherine Mansfield and intimate of D H Lawrence as prophet politician or farmer Few even of his most vigorous champions or opponents discerned the consistent purpose uniting all his multifarious activities To trace that is the principal aim of this book Believing that the duty of the official biographer is rather to present than interpret the author makes no attempt to evaluate Murry s theories objectively confining himself to showing how intimately they grew out of his strange tragic and occasionally comic experience At the same time he makes no secret of his own view of Murry s significance both as a thinker and as the representative figure of an age of breakneck social transition The Life of John Middleton Murry will be of interest to scholars and researchers of historical biographies British history and literature

Gilded Amaryllis Dana Krystle , 2025-08-30 Gilded Amaryllis is a companion book for a novel I wrote in 2025 called

Grieving Amaryllis this book is a combination of all the images I used to inspire and write the novel Photography of the locations concept materials character research and landscapes are presented in this art book in a form of collage and digital juxtaposition The main poem was written before writing the novel itself and from then on the story unfolded however in this book most of the poetry came after writing and publishing the novel itself the poetry verses and stanzas are a depiction of the scenes and how the characters were interacting with each other with a small poetic expression on how they felt at that moment A few excerpts of the novel were added in this book including the official song that was composed exclusively for the novel titled Gilded Amaryllis This book is a companion book and is an attempt to create and extend the world of the original novel Grieving Amaryllis in hopes of having a sort of experimental art work in a book companion format to go hand in hand with the same world building and themes
