Afghanistan was an unwinnable war As British and American troops withdraw discover this definitive account that explains why It could have been a very different story British forces could have successfully withdrawn from Afghanistan in 2002 having done the job they set out to do to defeat al Qaeda Instead in the years that followed Britain paid a devastating price for their presence in Helmand province So why did Britain enter and remain in an ill fated war Why did it fail so dramatically and was this expedition doomed from the beginning Drawing on unprecedented access to military reports government documents and senior individuals Professor Theo Farrell provides an extraordinary work of scholarship He explains the origins of the war details the campaigns over the subsequent years and examines the West s failure to understand the dynamics of local conflict and learn the lessons of history that ultimately led to devastating costs and repercussions still relevant today The best book so far on Britain s war in Afghanistan International Affairs Masterful irrefutable Farrell records all these military encounters with the irresistible pace of a novelist Sunday Times [The Strand Magazine](#) Sir George Newnes, 1903 **Ending Obama's War** David Cortright, 2015-12-03 Now in its tenth year the US led military campaign in

Afghanistan continues with no foreseeable end in sight Ending Obama's War is intended to help and hold President Obama to his policy of beginning military withdrawals in July 2011 and sooner if possible Renowned peace scholar David Cortright offers realistic alternatives for ending the war whilst continuing to help the Afghan people especially women with development and human rights Ending Obama's War outlines a responsible military disengagement strategy and links it to agreements on security cooperation political power sharing and a regional diplomatic compact This is a timely informed study which offers a way forward for one of the world's worst conflict zones **Darkness Now Visible** Carol Gilligan, David A. J. Richards, 2018-08-09 In the fall of 2016 those promoting patriarchal ideals saw their champion Donald Trump elected president of the United States and showed us how powerful patriarchy still is in American society and culture **Darkness Now Visible** Patriarchy's Resurgence and Feminist Resistance explains how patriarchy and its embrace of misogyny racism xenophobia homophobia and violence are starkly visible and must be recognized and resisted Carol Gilligan and David A. J. Richards offer a bold and original thesis that gender is the linchpin that holds in place the structures of unjust oppression through the codes of masculinity and femininity that subvert the capacity to resist injustice Feminism is not an issue of women only or a battle of women versus men it is the key ethical movement of our age **The Liberal Magazine**, 1925

The Australian Army from Whitlam to Howard John Blaxland, 2014 The Australian Army from Whitlam to Howard is the first critical examination of Australia's post Vietnam military operations spanning the 35 years between the election of Gough Whitlam and the defeat of John Howard John Blaxland explores the casualty cringe felt by political leaders following the war and how this impacted subsequent operations He contends that the Australian Army's rehabilitation involved common individual and collective training and reaffirmation of the Army's regimental and corps identities He shows how the Army regained its confidence to play leading roles in East Timor Bougainville and the Solomon Islands and to contribute to combat operations further afield At a time when the Australian Army's future strategic role is the subject of much debate and as the Asian Century gathers pace and commitment in Afghanistan draws to an end this work is essential reading for anyone interested in understanding the modern context of Australia's military land force *Afghanistan's Violent Decades* Stanley B. Sprague, 2024-10-25 This book examines the key political and military events in Afghanistan from 1978 to August 2021 It covers the Afghan Soviet war and how that war was followed by an Afghan Civil War that made the country receptive to the rise of the Afghan Taliban It explains how the Taliban secured control of Afghanistan's government and permitted Osama bin Laden to reside in the country while he secretly planned an attack on the American mainland It also covers why Osama bin Laden's al Qaeda terrorists on September 11 2001 flew hijacked airliners into New York City's World Trade Center and the Pentagon It describes how American and NATO forces responded by invading Afghanistan to destroy al Qaeda and to overthrow the Taliban government The 20 year Afghan NATO war which followed would lead to American troops suffering 2 488 dead and 20 722 wounded This book is one of the first to cover this long war written after the war ended in August 2021

giving it a new perspective It offers an even handed coverage of the war based on Taliban American and British sources

Air University Library Index to Military Periodicals ,1999 **Command of the Waters** Daniel McCool,1994-09 Much has been written about legal questions surrounding Indian water rights this book now places them in the political framework that also includes water development McCool analyzes the two conflicting doctrines relating to water use one based on federal case law governing the rights of Indians on reservations the other sanctioned by legislation and applied to non Indians based on the iron triangles of bureaucrats legislators and interest groups that dominate policy issues He examines the way federal and BIA water development programs have reacted to conflict competition and opportunity from the turn of the century to the 1980s and updates the situation in an introduction written for this edition Overcoming Depression 3rd Edition Paul Gilbert,2009-05-01 Overcoming app now available via iTunes and the Google Play Store A Books on Prescription Title Break free from the hell of depression If you suffer from depression you are far from alone Depression is very common affecting over 300 million people around the world Written by Professor Paul Gilbert internationally recognised for his work on depression this highly acclaimed self help book has been of benefit to thousands of people including sufferers their friends and families and those working in the medical profession This fully revised third edition has been extensively updated and rewritten to reflect over ten years of new research on understanding and treating depression particularly the importance of developing compassionate ways of thinking behaving and feeling It contains helpful case studies and new easy to follow step by step suggestions and exercises to help you understand your depression and lift your mood Chechnya - Russia's 'War on Terror' John Russell,2007-08-07 Providing a comprehensive overview of the Russo Chechen War the author examines the origins of the conflict historically and traces how both sides were dragged inexorably into war in the early 1990s ISR and the Gulf The International Institute for Strategic Studies (IISS),2020-04-22 Intelligence surveillance and reconnaissance ISR is today a core capability for the modern military in peacetime and in war ISR is and will remain a key enabler in the Gulf region in ongoing conflicts There is still a reliance on the United States and its ISR systems deployed in the Gulf to facilitate ongoing operations and to provide situational awareness at the tactical operational and strategic levels However even US ISR is finite and there is growing demand for its resources in other regions The Gulf Cooperation Council states have some ISR capacity but this needs further development and improved exploitation to better address regional needs Written by a team of IISS specialists ISR the Gulf An Assessment considers the meaning of and requirement for intelligence surveillance and reconnaissance in the context of the region It examines the military needs and industrial aspirations of the Gulf Arab states regarding ISR and the opportunities and risks these present The report is a companion work to the Institute s Missile Defence Cooperation in the Gulf and is similarly intended to help provide the basis for informed decision making to support improved security in the region *Revelation (Paideia: Commentaries on the New Testament)* Sigve K. Tonstad,2019-11-05 This practical commentary on Revelation is conversant with contemporary scholarship draws on ancient backgrounds and

attends to the theological nature of the text Sigve Tonstad an expert in the early Jewish context of the New Testament offers a nonretributive reading of Revelation and addresses the issue of divine violence Paideia commentaries explore how New Testament texts form Christian readers by attending to the ancient narrative and rhetorical strategies the text employs showing how the text shapes moral habits and making judicious use of photos and sidebars in a reader friendly format

City and State Herbert Welsh,1902 **Social Problems in a Free Society** Myles J. Kelleher,2004-09-02 The future of the sociologist s profession is jeopardized by an ongoing trend toward the politicization of sociology and the radicalization of social problems This book calls for the rethinking of the culture of social political and economic liberty to create a resurgence of a sociological agenda Social Problems in a Free Society offers an original perspective on social problems such as violations of the principles of individual rights and the free market This book is a vision for reinvigorating the discipline in a fashion undreamt of within the wearisome strains of today s radical social problems theory **World's Press News and Advertisers' Review** ,1934 New York Magazine ,1993-02-22 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea
