Va Home Buying Guide:

To the Home-buying Veteran, 1991 **Making the Most of Your Veterans Affairs (VA) Home:** David E. Nelson, Jr., 2017 According to the U S Census Bureau there are 18.8 million veterans but only 4 percent of them have actually used their VA Home Loan benefits. The reasons they are not taking advantage of this opportunity tend to be lack of training, miseducation, and most importantly fear. This new book lays out a detailed step by step procedure for veterans to navigate through difficult subject matter in a way that will eliminate any concerns or fears they may have about purchasing a home. The author explains the real estate market for beginners and guides veterans on how to strategically use their VA Home Loan benefits. He uses his real life experiences as both a veteran and a real estate agent to back up his claims and provides examples. Furthermore, he is able to take a complex process and simplify it for the average veteran. The knowledge, guidance, and recommendations you obtain from the author will allow you to begin your journey to home ownership today. **The Complete Guide to Veterans' Benefits** Bruce Cameron Brown, 2013-12-30 Retiring or being discharged from the military is one of the most trying times for service members. You must leave your military life and training to venture once more into the civilian life, transition into a civilian career, and navigate the waters of life without the military. But the good news is you don't have to do it alone. As a veteran of the U S military, you are entitled to multiple benefits including health care, loans, and many other aids for all aspects of your life. *The Complete Guide to Veterans' Benefits* will help you discover and apply for every benefit you are eligible to receive. According to the U S Census Bureau, in recent years there were approximately 21.8 million veterans in the United States. When not on duty, 20 percent of these veterans do not have health coverage. This book will help you discover all you could be receiving for your dedicated service to this country. Author Bruce C Brown provides all the details you need to know in order to receive your maximum benefits. Still serving in the U S Coast Guard, Brown understands what it takes to be in the military and knows the difficulties of navigating all of the government programs and policies. That's why he has gathered everything you need to know here in one great resource. Topics included are health care, disability compensation, the Post 9/11 GI Bill, scholarships, grants, military discounts, VA loans, vocational rehabilitation, and employment hospitals and facilities, and much more. Take the next step for yourself and your family's future by finding out what veterans' benefits you qualify for and apply for them today using this book as your guide. Thank you for your service.
