Vacation Bible School Rotation Schedule:

Workshop Rotation Melissa Armstrong-Hansche, Neil MacQueen, 2013-12-01 Readers can follow step by step through the process of setting up and conducting the Rotation Model of church school Classes focus on a single biblical story for several weeks with children rotating to different workshops each week [A Doctor in the House](#) Candy Carson, 2016-01-05 The life of a neurosurgeon isn't an easy one and Ben has been required to go above and beyond the call of duty almost constantly The life of a neurosurgeon's wife isn't much easier But it's all been worth it Together we've been through poverty tragedy wealth and joy and we've had each other's backs I love that guy CANDY CARSON Like most Americans you might think of Ben Carson as a trailblazing brain surgeon and in the last few years as an outspoken commentator on national issues But his wife of more than forty years knows him as so much more a loving husband a devoted father a devout Christian a committed philanthropist and a fierce patriot Now Candy Carson introduces us to the private side of a very public figure as she shares the inspiring story of their marriage and their family Like her husband Candy grew up in Detroit one of five children of a teacher and a factory worker Also like Ben she overcame her humble background through determination hard work and perseverance earning a scholarship to attend Yale University In that strange new world she focused on her studies her music and her deepening spiritual life She attended church with a handsome older student who liked to tease her but never assumed he would be anything more than a friend to her But Ben and Candy quickly became inseparable and they married soon after she graduated with Ben still in medical school preparing for his career as a soon to be world famous pediatric neurosurgeon In [A Doctor in the House](#) Candy reveals many stories that have never been told before despite the media spotlight on Dr Carson in recent years She shows us what it was like when they moved to Baltimore to join the community centered around Johns Hopkins Hospital She describes how their family evolved with the births of their three sons and the tragic miscarriage of their twins She talks about the challenges of Ben's twelve to twenty hour workdays saving thousands of lives every year while Candy ran the household She also addresses the prejudice they sometimes faced as African Americans and how Ben's calm levelheaded approach made him a great problem solver at home and in their travels just as he was in the operating room Above all she reveals her husband's consistency as a believer in God in family and in America Having lived the American Dream Ben believes every child from every background is capable of achieving it That's why he and Candy have been committed to educating and inspiring young people and over the past twenty years have awarded more than 6 700 students with scholarships through their Carson Scholars Fund [A Doctor in the House](#) is a classic American love story and that story is far from over As Candy writes We don't know what God has for us next but we're ready to follow As we head forward into the unknown once more I thank God for putting us together [One Bread, One Body](#) C. Michael Hawn, 2003-06-01 As a troubadour for global music and an instigator of cross cultural worship for more than 15 years in a variety of denominational settings including congregational national and international venues Michael Hawn has

observed many faithful people who find that a taste of Pentecost in worship is refreshing and invigorating In *One Bread One Body Exploring Cultural Diversity in Worship* Hawn seeks to help bridge the gap between the human tendency to prefer ethnic and cultural homogeneity in worship and the church's mandate to offer a more diverse and inclusive experience He offers a rainbow vision of the universal church where young and old joyfully and thoughtfully respond to the movement of God's Spirit in multicultural worship Hawn and four colleagues from Perkins School of Theology in Dallas formed a diverse team in ethnicity gender academic field of study and denominational affiliation to study four United Methodist congregations in the Dallas area that are grappling with cross cultural ministry Their four case studies illustrate both the pain and the possibilities encountered in capturing the Spirit of Pentecost in worship Hawn also offers a concise and practical theological framework as well as numerous strategies and an extensive bibliography for implementing culturally conscious worship This book is invaluable for congregations that want to undertake the hard work of cross cultural worship *The Army Chaplaincy*, 1995
