

Domestic Claim or Registered Mail Inquiry

Despite our best efforts, mail is occasionally damaged or lost.

We are constantly improving the way we handle mail so that loss or damage will not occur.

WHAT YOU NEED TO FILE A CLAIM:

1. Your original mailing receipt for Insured, COD, Registered Mail™, Express Mail® service (original sales receipt from the USPS® showing article number and insurance amount is acceptable if original mailing receipt is not available). Original mailing receipts for Unnumbered Insured and Express Mail service must be surrendered at the time the claim is initiated.
2. Evidence of value, such as a sales receipt (if applicable), invoice or bill of sale, or statement of costs for reconstruction of Express Mail service documents. Either the mailer or addressee may furnish evidence of value. For Internet purchases, a copy of the front and the back of the canceled check, money order, or a copy of the credit card billing statement is required. If the purchase was made using an Internet account, a final or complete transaction sheet indicating the amount deducted from the account is required.
3. Proof of Damage and/or Estimate of Repair: For damage, loss, or partial loss of contents, the addressee must present the following:
 - (a) The container, wrapping, packaging, and any contents that were received;
 - (b) The original mailing receipt, or other proof of mailing specified in paragraph 1, above;
 - (c) Evidence of value; and
 - (d) Estimate of repair (if applicable).

NOTE: Do not return the damaged parcel(s) to the mailer to file the claim. Either the addressee or the mailer may file claims for damage or loss of contents.

4. Proof of Loss for Unnumbered Insured Mail Only: The mailer must present the following:
Written and signed documentation from the addressee (such as a letter), dated at least 21 days from the date of mailing, stating the addressee did not receive the article.

fabulous challenge Designed by people for people they have a mandate to be citizen centered but they often fall short of this goal If human centered design can make a difference in this organizational context it is likely to have an equal or greater impact on an organization that shows more flexibility for example one that is smaller in size and less entangled in legal or political frameworks Transforming Public Services by Design offers a human centered design perspective on policies organizations and services Three design projects by large scale government agencies illustrate the implications for organizations and the people involved in designing public services the Tax Forms Simplification Project by the Internal Revenue Service 1978 1983 the Domestic Mail Manual Transformation Project by the United States Postal Service 2001 2005 and the Integrated Tax Design Project by the Australian Tax Office These case studies offer a unique demonstration of the role of human centered design in policy context This book aims to support designers and managers of all backgrounds who want to know more about reorienting policies organizations and services around people
