 the building blocks of rocks they make up the solid Earth's crust Understanding Minerals and it discusses the nature and
 classification of these crystals and includes a mineral identification key The second part of the book contains detailed
 descriptions of some 80 common and important minerals including how they were named their properties ID pointers uses
 and where in the world they are found All are lavishly illustrated with full colour photographs This book will be invaluable to
 those interested in any of the earth sciences or in mineral crystal collecting from academics and students to general
 enthusiasts Promoting sustainable local economic development initiatives Marius Venter,2022 This book endeavours to
 outline case studies that promote sustainable Local Economic Development LED initiatives It is generally believed that local
 governments are the foot soldiers of LED However this seems to be a myth as local governments in South Africa and
 elsewhere have not yet fulfilled this mandate and have been struggling for several years to implement LED initiatives The
 distinctive merit of this book lies in the way it combines the South African context with the wider international development
 context in ways that there is a flow of information and ideas both ways The book is an essential part of this sequence of ideas
 development and action at a critical time for strategic action directed at a sustainable future It showcases case studies and
 responses to the impacts of globalisation as a bridge between urban rural and institutional action and reveals avenues for
 local government leadership in communities research student engagement and wider interactions Usability and User

 DeGirolamo,2015-09-04 This is the second novel that belongs to the Stolen Child Tale This book finds us where book one has
 left off and takes us into the Realm of the Space In Between the Land of the Selkies and their unusual World where

Kashandarhh the Witch s father lives It is here she travels to warn him of the Sling s arrival back into their land and to ask him to help her bring the Ka afrey Covens together to keep the creature away from finding the last two remaining offspring of the Tuatha De Danann Meanwhile Sibrey who has been able to escape the Tracker who was hunting her has been taken into the Kingdom of the Sky People while the Dragon Lords sent to protect her have started to go missing along the edges of their home land This tale also introduces you to the Dark Sidhe Queen who has taken two of the Dragon Lords prisoner down below in her Dark World just as the Dragons themselves start to disappear from the Continent of Water s Deep

Gene Roddenberry's Star Trek Douglas Brode, Shea T. Brode, 2015-05-14 When it premiered on NBC in September 1966 Star Trek was described by its creator Gene Roddenberry as Wagon Train to the stars Featuring a racially diverse cast trips to exotic planets and encounters with an array of alien beings who could be either friendly or hostile the program opened up new vistas for television Along with The Twilight Zone and The Outer Limits Star Trek represented one of the small screen s rare ventures into science fiction during the 1960s Although the original series was a modest success during its three year run its afterlife has been nothing less than a cultural phenomenon To celebrate the show s debut fifty years later it s time to reexamine one of the most influential programs in history In Gene Roddenberry s Star Trek The Original Cast Adventures Douglas and Shea T Brode present a collection of essays about the series and its various incarnations over the years Contributors discuss not only the 1960s show but also its off shoots ranging from novels and graphic novels to toys and video games as well as the films featuring Captain Kirk Mr Spock and the rest of the Enterprise crew Essays address the show s religious implications romantic elements and its role in the globalization of American culture Other essays draw parallels between the series and the Vietnam War compare Star Trek II to Milton s Paradise Lost posit Roddenberry as an auteur and consider William Shatner as a romantic object With its far reaching and provocative essays this collection offers new insights into one of the most significant shows ever produced Besides television and film studies Gene Roddenberry s Star Trek a companion volume to The Star Trek Universe will be of interest to scholars of religion history gender studies queer studies and popular culture not to mention the show s legions of fans

Interest Groups, Water Politics and Governance Richard Meissner, 2015-07-08 The book investigates the role interest groups have played over the years to influence the governments of Lesotho and South Africa the World Bank and project implementation authorities in changing some policy aspects of the Lesotho Highlands Water Project LHWP Some of the issues being agitated by the interest groups are the resettlement of villagers where some of the dams for the projects are being constructed The author argues that interest groups and individuals have the ability to influence the above mentioned institutions and to such an extent that water politics and governance is not the domain of state institutions only

Non-Western Identity Byron G. Adams,Fons J. R. van de Vijver,2022-02-02 Identity is a construct strongly rooted and still predominantly studied in Western or WEIRD Western educated industrialized rich and democratic contexts e g North American and Western European Only recently has there been more of a conscious effort to study identity in non Western or non WEIRD contexts This edited volume investigates identity from primarily a non Western perspective by studying non Western contexts and non Western minority or immigrant groups living in Western contexts The contributions a examine different aspects of identity e g personal identity social identity online identity as either independent or interrelated constructs b consider the associations of these constructs with aspects of intergroup relations acculturative processes and or psychological well being c document the advancement in research on identity in underrepresented groups contexts and regions such as Africa Asia Eastern Europe the Middle East and South America and d evaluate different approaches to the study of identity and the implications thereof This book is intended for cultural or cross cultural academics practitioners educators social workers postgraduate students undergraduate students and scholars interested in studying identity It provides insight into how identity in non Western groups and contexts may both be informed by and may inform Western theoretical perspectives Stock Exchange Year-book ,1931 **Corrupted** Jonathan D Jansen,2023-02-01 In South African higher education the images of dysfunction are everywhere Student protests Violence Police presence Rubber or real bullets Class disruptions Burning tyres Damaged buildings Injury and sometimes death Reports of wholesale corruption Year after year often in the same set of universities the problem of routine instability seems insoluble The financial academic and reputational costs of ongoing dysfunction are high especially for those universities caught up in the never ending struggle to overcome apartheid legacies Any number of explanations have been ventured including a lack of resources shortage of capacity rural location corrupt officials and endemic conflict Corrupted takes a deeper look at dysfunction in an attempt to unravel the root causes in a sample of South African universities At the heart of the problem lies the vexed issue of resources or more pertinently the relationship between resources and power who gets what and why Whatever else it aspires to be commonly a place of teaching learning research and public duty a university in an impoverished community is also a rich concentration of resources around which corrupt staff students and those outside of campus all vie for access Taking a political economic approach Jonathan Jansen describes the daily struggle for institutional resources and offers accessible sensible insights He argues that the problem won t be solved through investments in capacity building alone because the

combination of institutional capacity and institutional integrity contributes to serial instability in universities Rather durable solutions would include the depoliticisation of university councils and appointments of academics with integrity and capacity to manage and lead these fragile institutions This groundbreaking and long overdue study will offer a promising way forward for universities to better serve their communities and the country more broadly **Mintirho ya Vulavula** Jabulisile

Mhlambi,Sandile Ngidi,2021-04-19 **Mintirho ya Vulavula Arts National Identities and Democracy** examines the role of arts and culture in development and specifically its value in consolidating our nascent democracy and in facilitating the transformation of South African society Contributors to this edited volume interrogate the role of arts culture and heritage from a transdisciplinary perspective enriched by the cross generational perspectives offered by young and older artists cultural practitioners activists and scholars Authors also offer some policy recommendations on how the contribution of arts and culture to social cohesion and nation building can be enhanced *Freshwater Fisheries Ecology* John F.

Craig,2015-11-09 Inland fisheries are vital for the livelihoods and food resources of humans worldwide but their importance is underestimated probably because large numbers of small local operators are involved *Freshwater Fisheries Ecology* defines what we have globally what we are going to lose and mitigate for and what given the right tools we can save To estimate potential production the dynamics of freshwater ecosystems rivers lakes and estuaries need to be understood These dynamics are diverse as are the earths freshwater fisheries resources from boreal to tropical regions and these influence how fisheries are both utilized and abused Three main types of fisheries are illustrated within the book artisanal commercial and recreational and the tools which have evolved for fisheries governance and management including assessment methods are described The book also covers in detail fisheries development providing information on improving fisheries through environmental and habitat evaluation enhancement and rehabilitation aquaculture genetically modified fishes and sustainability The book thoroughly reviews the negative impacts on fisheries including excessive harvesting climate change toxicology impoundments barriers and abstractions non native species and eutrophication Finally key areas of future research are outlined *Freshwater Fisheries Ecology* is truly a landmark publication containing contributions from over 100 leading experts and supported by the Fisheries Society of the British Isles The global approach makes this book essential reading for fish biologists fisheries scientists and ecologists and upper level students in these disciplines Libraries in all universities and research establishments where biological and fisheries sciences are studied and taught should have multiple copies of this hugely valuable resource About the Editor John Craig is Editor in Chief of the *Journal of Fish Biology* and has an enormous range of expertise and a wealth of knowledge of freshwater fishes and their ecology having studied them around the globe including in Asia North America Africa the Middle East and Europe His particular interests have been in population dynamics and life history strategies He is a Fellow of the Linnean Society of London and the Royal Society of Biology **Colonial Survey and Native Landscapes in Rural South Africa, 1850 - 1913** Lindsay F. Braun,2014-10-16

In Colonial Survey and Native Landscapes in Rural South Africa 1850 1913 Lindsay Frederick Braun explores the technical processes and struggles surrounding the creation and maintenance of boundaries and spaces in South Africa in the nineteenth and early twentieth centuries The precision of surveyors and other colonial technicians lent these enterprises an illusion of irreproachable objectivity and authority even though the reality was far messier Using a wide range of archival and printed materials from survey departments repositories and libraries the author presents two distinct episodes of struggle over lands and livelihoods one from the Eastern Cape and one from the former northern Transvaal These cases expose the contingencies contests and negotiations that fundamentally shaped these changing South African landscapes

Ecological Informatics Friedrich Recknagel, William K. Michener, 2017-09-21 This book introduces readers to ecological informatics as an emerging discipline that takes into account the data intensive nature of ecology the valuable information to be found in ecological data and the need to communicate results and inform decisions including those related to research conservation and resource management At its core ecological informatics combines developments in information technology and ecological theory with applications that facilitate ecological research and the dissemination of results to scientists and the public Its conceptual framework links ecological entities genomes organisms populations communities ecosystems landscapes with data management analysis and synthesis and communicates new findings to inform decisions by following the course of a loop In comparison to the 2nd edition published in 2006 the 3rd edition of Ecological Informatics has been completely restructured on the basis of the generic conceptual framework provided in Figure 1 It reflects the significant advances in data management analysis and synthesis that have been made over the past 10 years including new remote and in situ sensing techniques the emergence of ecological and environmental observatories novel evolutionary computations for knowledge discovery and forecasting and new approaches to communicating results and informing decisions
