Vaclav Havel Open Letters Selected Prose 196199:

Open Letters Václav Havel,1991 Spanning twenty five years this historic collection of writings shows Vaclav Havel s evolution from a modestly known playwright who had the courage to advise and criticize Czechoslovakia s leaders to a newly elected president whose first address to his fellow citizens begins I assume you did not propose me for this office so that I too would lie to you Some of the pieces in Open Letters such as Dear Dr Husak and the essay The Power of the Powerless are by now almost legendary for their influence on a generation of Eastern European dissidents others such as some of Havel s prison correspondence and his private letter to Alexander Dubcek appear in English for the first time All of them bear the unmistakable imprint of Havel s intellectual rigor moral conviction and unassuming eloquence while standing as important additions to the world s literature of conscience From the Trade Paperback edition *Open Letters* Václav Havel,Paul

Havel,John Keane,1985-01 **Summer Meditations** Václav Havel,1992 In a book written while he was president of Czechoslovakia Vaclav Havel combines the same powerful eloquence moral passion and abiding wisdom that informed his writing as a dissident and playwright with a candor unprecedented from one with the broad perspective and infinite responsibility of governing a country Havel now president of the Czech Republic addresses the legacy of Communism as the euphoria of the Velvet Revolution gives way to a more problematic reality Yet even as he grapples with the challenges of political change he affirms his belief in a politics motivated by moral responsibility in an economy tempered by compassion and in the central roles of art and culture in the transformation of society Summer Meditations is not only a timely and necessary testament of events in Eastern Europe but a profound reflection upon the nature and practice of politics and a stirring call for morality civility and openness in public life throughout the world **Sorry ...** Václav Havel,1978 Václav Havel Václav Havel,1990 Gathers essays by the Czech playwright and includes writings by other authors in his honor

Symynkywicz,1995-02-01 *The Increased Difficulty of Concentration* Václav Havel,1972 A satire about the role of sex in a dehumanised technological society A social scientist torn between the demands of his wife a mistress and a secretary finds it increasingly difficult to keep himself together and them apart Complicating his life still further is a pinball machine size calculator which has chosen him as a Random Sample to be questioned Book jacket *The Art of the Impossible* Václav Havel,1997 There is no shortage of politicians who make a habit of shooting from the hip but it is much rarer to find one who speaks from the heart Vaclav Havel knows no other way to speak or to write Both as a dissident and as a playwright it was

his sworn purpose for many years to combat evil with nothing but truth As president of Czechoslovakia and now of the Czech Republic he has clung to that habit refusing to turn over either his conscience or his voice to political handlers and professional speechwriters Instead he assumes the additional burden for him it is a distinct pleasure of composing all of his oratory Audiences from New York to New Delhi Oslo to Tokyo have been the luckier for his decision This volume consists of thirty five of these essays written between the years 1990 and 1996 that manage to be both profoundly personal and profoundly political Havel writes of totalitarianism its miseries and the nonetheless difficult emergence from it He describes how his country and the other postcommunist countries are learning democracy from scratch and are encountering obstacles from inside and out He marvels at the single technology driven civilization that envelops the globe and the challenges this presents to multicultural realities He invokes the duty of every person alive to prevent hatred and fear from derailing history ever again He acknowledges the advantage it is for doing a good job as president to know that I do not belong in the position and that I can at any moment and justifiably be removed from it And he reminds us that contrary to all appearances common sense moderation responsibility good taste feeling instinct and conscience are not alien to politics but are the very key to its long term success
