Milburn,2007-05-04 This unique manual is better than the manual that comes with yourcamera in several important ways It s organized according to efficient workflow so you can get the most outof your Sony A100 quickly and with the least amount of bother You can find what you re looking for interactively by using the interactiveTable of Contents choosing one of the questions in the Quick Answerssection or by following any of the convenient links we ve placed throughoutthe document It s not a book unless you want it to be It s a PDF that you can read onyour computer or on a PDA that fits into your camera bag

It is laid out on an 8.5 x 11 inch page so if you want to print you won't have to waste paper or spend time configuring your printer. Because it's a PDF you can find subjects you're looking for by searching electronically. Typing Cmd/Ctrl+F brings up the familiar search dialog. So all you have to do to jump straight to all the references to a particular part or feature is to enter its name. No reliance on a mindreading indexer. The PDF is photographically illustrated so you can see exactly which combination of buttons, knobs, wheels, and menu choices will help you make the magic you are hoping for. In addition to teaching technically correct procedures, this document offers valuable hints for taking photographs in some of the toughest situations.
