Spirit Releasement Therapy :

Spirit Releasement Therapy William J. Baldwin,1993-06 Spirit Releasement Therapy is a special form of healing which calls forth and identifies positive energies that enhance personal growth and clears negative energies whether internally generated or externally attached that restrict personal growth on levels ranging from cellular consciousness to archangelic realms

Healing Lost Souls William J. Baldwin,2025-09-12 For two decades William Baldwin has been a pioneer in the ever expanding therapeutic fields of Spirit Releasement Past Life Regression and Soul Mind Fragmentation In his Florida practice he uses these therapies routinely to help patients who suffer from Dissociative Trance and Dissociative Identity formerly called Multiple Personality Disorders *Healing Lost Souls* explains the attributes of each therapy in everyday language and provides dozens of case studies to illustrate its clinical use Likening his work to the ancient practice of shamanism Baldwin has found that psychological disorders are often rooted in past life traumas the interference of attached entities of various origins and the fragmentation of one s soul Baldwin stresses the importance of active patient participation throughout the stages of regression as well as the need to treat encountered entities with respect since they are often mere lost souls as bewildered and frightened as the patients themselves

Spirit Releasement Therapy William J. Baldwin,1995-06 Spirit Releasement Therapy is a special form of healing which calls forth and identifies positive energies that enhance personal growth and clears negative energies whether internally generated or externally attached that restrict personal growth on levels ranging from cellular consciousness to archangelic realms

Spirit Release Sue Allen,2010-05-11 Spirit Release covers psychic attack curses witchcraft spirit attachment haunting soul rescue deliverance and exorcism This comprehensive guide has been developed over many years as course material in the College of Psychic Studies in London It looks at the symptoms of psychic attack and spiritual attachments what to do and how to prevent them

Freeing the Captives Louise Ireland-Frey,2025-09-12 Possession by Spirits Stories of spirit possession come to us from earliest recorded history Modern science typically has looked on these reports as the product of ignorance and superstition Modern science may be wrong It may in fact be changing its mind

The Science of Spirit Possession (2nd Edition) Terence Palmer,2014-11-10 Spirit possession attachment poltergeist activity and the negative impact of obsession infestation and harassment on psychological health together with the methods of dealing with it are contemporary issues that demand serious scientific research and academic study Essential reading for anyone who is presented with the problem of identifying and dealing with negative spirit influence whether they are a health professional a service user or a research scientist this book presents a complementary approach that is built upon the theoretical concepts and experimental methods of Frederic Myers together with modern research findings in quantum theory and neuro imaging

Transpersonal Hypnosis Eric D Leskowitz,2019-05-23 Transpersonal Hypnosis presents a multidimensional energy based view of human awareness that integrates disparate biological psychological and spiritual therapeutic techniques Each of the chapters all from world

renowned contributors includes both a historical overview and the theory behind the development of each technique The authors emphasize experimental studies that examine the validity of using hypnotically accessed transpersonal states of consciousness to heal the body mind and spirit Several clinical vignettes highlight the types of medical and psychological symptoms responsive to these approaches The emerging field of spiritually influenced treatments is transforming the practice of medicine

Spiritism and Mental Health Emma Bragdon,2013-02-15 An account of the philosophy theory practical applications and wider relevance of Spiritist therapies to be published in the English language It explores how Spiritist centers and psychiatric hospitals are established and financed with specific examples from Brazil and the USA

Remarkable Healings Shakuntala Modi,2025-09-12 Psychiatry remains an emerging discipline Many people suffer from ailments that have no apparent cause no obvious cure Quite by accident while using hypnotherapy Dr Modi discovered that pastlife regression can be a beneficial treatment Many of these patients under hypnosis claimed to have spirits attached to their bodies and energy fields creating psychological and physical problems Based on years of experience Dr Modi describes techniques that release these spirits revealing how patients can sometimes recover within a few sessions While most doctors would agree that emotional states affect our health few would give credence to spiritual influences In this truly groundbreaking book Dr Modi presents evidence that something beyond the physical affects the health of many people and urges medical scientists to objectively assess this revolutionary approach to mental and often physical illness Pioneers have the courage to put aside the status quo and evaluate what the evidence shows even if it defies the prevailing logic of the time Both physicians and the general public should explore the pioneering work of Dr Modiwork which no doubt has produced many remarkable healings
