The Great CoMission Brooks St. Clair Morton,2012-11-02 This book presupposes that pastors and seminarians deeply desire to answer the question of all questions how do I make disciples of Jesus Christ The Great CoMission Making Sense of Making Disciples is a helpful guide for pastors in the field yet meaty enough for seminarians in the classroom In The Great CoMission readers will encounter useful principles for discipleship and

solid biblical theology for ministry This unique book approaches the Great Commission from a rite of passage framework therefore allowing for serious consideration of the internal mechanisms of Matthew 28:16-20 by focusing on the relationship between initiation instruction and Jesus' promise to be with the church to the end of the age Morton writes from a Wesleyan cross cultural and missiological perspective avoiding the popular method of using the Great Commission merely as a holy launching pad for retelling the story of a mega church *Last Words From Above (Medicine for the Spirit)* Jeremy Brown, 2018-04-26 Last Words from Above: Medicine for the Spirit is not just intended to be a book of thought provoking and inspirational quotes but also an experience One that has the power to open not only your mind but also your heart to new possibilities and forgotten dreams Whether you are only able to go through a few a day or a few hundred in one sitting you will walk away with something that will heal your spirit *A Divine Revelation of the Spirit Realm* Mary K.
