Spirit Unbroken Abbys Story:

Spirit Unbroken Jeanne McElvaney, 2011-04-06 In Abby Carters everyday world appearance is not reality There are black holes in her All American small town family In these moments of no boundaries Abbys body is the pawn and each violation is stored in a place that cannot be recalled Not knowing the secrets held in the deep corners of her mind Abby creates normal out of chaos She doesnt understand what is driving her choices but she will take you to the joy and nostalgia of childhood in the 1950s She will grab your heart and turn yourworld upside down as you witness innocence celebrated and violated Spirit Unbroken honors the wonder and beauty of resilient personal spirit Thrust from lascivious cold power back into childhood Abby warmed her innocence by being a good girl She had a smile for everyone She was helpful kind and responsible though she was never seeking approval Her quest was reconciliation with her self Abby was shaping her place in the world not knowing what drove her choices Powerful and unsettling this story held me captive LM *Old Maggie's Spirit Whispers* Jeanne McElvaney, 2011-08-15 Lyrical and nostalgic Old Maggies Spirit Whispers gives you the simplicity trust and connections to ignite your own spirit insights Its like riding your bike on a sweet summer day exploring all the familiar places knowing the real adventure is taking place deep inside There is nothing common about the friendship between a muse as ageless and solitary as the oak trees in Paddington Cove and a proper young lady of Jane Austens England Old Maggie is guided by serendipity intuition and coincidence Lydia has only known the dictates of family and social expectations Together they find their way to unexpected treasures that celebrate their spirits You already have your answers With 55 spirit whispers this tale reminds you to listen **Time Slipping** Jeanne McElvaney, 2012-04-23 Elizabeth dreamed of slipping away for a short retreat so she could get to know who she was beyond her routines relationships and responsibilities Then she dared to do it She couldn't know her desire for solitude would be cracked open by a mysterious muse two young lads and a most unusual friend In a journey of the unexpected this unlikely heroine is reunited with her personal spirit The end becomes the beginning A heartfelt adventure and delightful guide this novel opens the door for every reader to embrace and explore their own personal spirit Other Books by Jeanne McElvaney *Old Maggie's Spirit Whispers* *Spirit Unbroken* Abby's Story *Harrietta's Happenstance* **Mending the Soul, Second Edition** Steven R. Tracy, Celestia G Tracy, 2023-04-04 A well researched biblical and scientific overview of abuse its various types and effects and how to heal from it Abuse can be sexual physical neglect spiritual and verbal The chief arguments pursued throughout the book are Abuse is far more rampant than most Christians realize but due to human depravity and satanic influence widespread abuse is predicable All types of abuse create profound long term soul damage due to the way abuse perverts various aspects of the image of God God is the healing redeemer Human salvation came through horrible physical abuse Healing must take place in the context of relationships Humans are deeply impacted by others due to being made in the image of God Just as surely as abusive relationships have tremendous power to wound the soul so healthy relationships have tremendous power to nurture and heal

the soul Questions answered in the book include How can a genuine believer abuse a child Why would someone abuse a child How can parents and children s workers identify abusers How can abuse victims heal What does genuine healing look like Is anger appropriate or hurtful for abuse victims Where does forgiveness fit in This second edition has been updated to reflect research conducted and published in the past 15 years on abuse and trauma It accounts for the significant social changes and increased mental health struggles in our culture including dramatic escalation in rates of depression anxiety suicide and isolation which exacerbate the effects of abuse and complicate the healing process Based on their now extensive trauma care experience this new edition helps readers how to minister to new domestic and global victims such as sex trafficking survivors foster children refugees and survivors of genocide Examples and illustrations are updated with more recent ones from high profile abuse cases and the aftermath of the MeToo movement The appendixes include lists of helpful resources for child protection policies worker parent child abuse education warning signs of potential abusers and general abuse resources books internet sites and organizations to equip ministry leaders are provided in appendixes Illustrations case studies and art therapy drawings
