Spiritual Exercises Based On A Purely Human Spirituality:

Spiritual Exercises Based on a Purely Human Spirituality Vincent Virom C. Coppola, 2014-12-24 about the book The aim of these Spiritual Exercises is for the person making this journey to achieve the height of consciousness within each of us as human beings accomplishing such via a purely human spirituality and thereafter applying that to life It is a powerful endeavor with the exercises providing a person with a concrete preparation for the serious undertaking of how to act in the face of existence about the author His vita shows that he was trained in philosophy theology literature and film and has three advanced degrees two in philosophy an MA and PHD as well as an MFA in film and an AB in classical literature He teaches all of the above subjects and is a member of the Writers Guild of America and BMI *The Esoteric in Religious and Spiritual Traditions* Patrick Laude, 2025-06-28 This book offers a comparative examination of the esoteric dimension across diverse religions including Buddhism Christianity Hinduism and Islam It seeks to answer the question of whether the concept of the esoteric can be applied across traditions and explores intersections convergences and differences in its use and presence therein The book provides new avenues for research by moving beyond the study of Western esotericism and examining how the category of the esoteric can be applied in the contexts of Abrahamic faiths and Asian traditions The book is organized into six centers of reflection including the esoteric dialectics of hiding and revealing the claim of esoteric traditions to restore wholeness and provide a comprehensive understanding of reality the character of immediacy and directness the intrinsic esoteric distinction between two truths and the non dualistic leanings of esoteric schools in terms of the unity of reality and the subjective immanence of an all embracing Divine Selfhood Overall the book provides a comprehensive phenomenology of the esoteric in religions It will be of interest to researchers and students of theology and religious studies *Spirituality* Philip Sheldrake, 2012-11-29 It has been suggested that spirituality has become a word that can define an era Why Because paradoxically alongside a decline in traditional religious affiliations the growing interest in spirituality and the use of the word in a variety of contexts is a striking aspect of contemporary western cultures Indeed spirituality is sometimes contrasted attractively with religion although this is problematic and implies that religion is essentially dogma moralism institutions buildings and hierarchies The notion of spirituality expresses the fact that many people are driven by goals that concern more than material satisfaction Broadly it refers to the deepest values and sense of meaning by which people seek to live Sometimes these values are conventionally religious Sometimes they are associated with what is understood as the sacred in a broader sense that is of ultimate rather than merely instrumental importance This Very Short Introduction written by one of the most eminent scholars and writers on spirituality explores the historical foundations of the thought and considers how it came to have the significance it is developing today ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and

enthusiasm to make interesting and challenging topics highly readable **The Early Philosophy of Daya Krishna** Ramesh Chandra Pradhan, 2021-05-11 This book deals with the philosophy of Daya Krishna an Indian philosopher of the twentieth century It discusses the central issues in Daya Krishna's early philosophy as a synthesis of the Indian and Western philosophical methods It presents problems of the past and the present in a holistic frame of creative philosophizing It provides a glimpse into the issues human beings face in all vital areas of human civilization It discusses the nature of philosophy and the philosophical method in Daya Krishna's syncretic philosophy Issues such as self and freedom and ethics and religion are explored in the chapters It is of interest to those who are engaged with Indian philosophy and Indian philosophers of the twentieth century and especially to those whose interest lies in understanding the cultural East and its philosophical responses to the cultural West **The Oxford History of Modern German Theology, Volume 1:**

1781-1848 Grant Kaplan, Kevin M. Vander Schel, 2023 Oxford History of Modern German Theology Vol I 1781-1848 offers a multi-author overview of the development of modern German theology from 1781 to 1848 Across 36 chapters Kaplan and Vander Schel underline important movements in German theology during this period and highlight unresolved questions which have shaped subsequent discussion **The Forgotten Jesuit of Catholic Modernism** Anthony M.

Maher, 2017-12-01 This book illustrates how George Tyrrell's theological challenge to those who would take the church out of history was never effectively refuted either at the time or since and that the issues Tyrrell raised are still relevant and alive in the church today In highlighting Tyrrell's liberation of theology from dogmatism the current work describes why he was vilified by the Roman hierarchy expelled from the Jesuits and eventually excommunicated Tyrrell's Ignatian inspired hope-filled theology should not be forgotten not least because it sheds further light on another courageous and prophetic Jesuit Pope Francis In revisiting Tyrrell's Ignatian theology this book celebrates the promise that Vatican II presents to the future church namely a universal call to holiness as embraced by Pope Francis *Engaging Philosophies of Religion* Gereon

Kopf, Purushottama Bilimoria, Nathan R. B. Loewen, 2025-05-01 How can philosophy of religion become more diverse in content and method How can we take a multiplicity of stories into account and teach a truly inclusive philosophy of religion It is now openly acknowledged that if we do not change the underlying framework of the way we do philosophy of religion we will always create subalterns Here is an invitation to rethink Philosophy of Religion Engaging with texts and thinkers from multiple traditions this book offers 18 distinct approaches to doing Philosophy of Religion and presents an opportunity to change Philosophy of Religion at a fundamental level Drawing on religions and philosophies from across history and around the world each chapter outlines a framework for approaching religion from a different standpoint monotheism in Christianity Qi in Daoism embodiment in neuroscience naturalism in the atheism debates and non-territorialism in 19th century debates on cartography Contributors identify the many philosophical systems that guide metaphysical and moral truths and adhere to the principle that traditions are not monolithic but diverse They recognise that categories such as indigenous religions are

political rather than descriptive in nature Innovative and forward looking this collection constructs a new method and terminology that promotes active interaction It is essential reading for students and teachers looking for a new way of doing Philosophy of Religion **The Wisdom of the Cross in a Pluralistic World - Volume 1** A.A. V.V,2023-06-05 From 21 to 24 September 2021 the IV International Theological Congress of the Passionists took place in Rome at the Pontifical Lateran University on the theme The Wisdom of the Cross in a Pluralistic World It took place in the context of the Jubilee Celebrations for the Third Centenary of the Foundation of the Passionist Congregation and aims to deepen the topicality of the Cross in the context of the many contemporary areopagi During the four days more than 100 speakers scholars and specialists from many academic and cultural circles with an international reach from Roman universities as well as from many nations of the various continents took turns The rich scientific cultural and spiritual experience of the Congress is collected in three volumes over 1 100 pages the first of which has also been translated from Italian into four languages English French Spanish and Portuguese **Belief and Organization** P. Case,H. Höpfl,H. Letiche,2012-10-15 Examines the alternative belief systems which contemporary organizational actors live by and through which they seek to find meaning within the dominant neo capitalist social order This volume marks an attempt to move the study of belief forward within management and organization studies **Miracles: An Exercise in Comparative Philosophy of Religion** Karen R. Zwier,David L. Weddle,Timothy D. Knepper,2022-11-03 This volume provides a comparative philosophical investigation into a particular concept from a variety of angles in this case the concept of miracle The text covers deeply philosophical questions around the miracle with a multiplicity of answers Each chapter brings its own focus to this multifaceted effort The volume rejects the primarily western focus that typically dominates philosophy of religion and is filled with particular examples of miracle narratives community responses and polemical scenarios across widely varying religious contexts and historical periods Some of these examples defy religious categorization and some papers challenge the applicability of the concept miracle which is of western and monotheistic origin By examining miracles thru a wide comparative context this text presents a range of descriptive content and analysis with attention to the audience to the subjective experiences being communicated and to the flavor of the narratives that come to surround miracles This book appeals to students and researchers working in philosophy of religion and science as well those in comparative religion It represents in written form some of the perspectives and dialogue achieved in The Comparison Project s 2017 2019 lecture series on miracles The Comparison Project is an enterprise in comparing a variety of religious voices allowing them to stand in dialogue *A Brief History of Spirituality* Philip Shelldrake,2009-02-09 A Brief History of Spirituality tells the story of Christian spirituality from its origins in the New Testament to the present day Charts the main figures ideas images and historical periods showing how and why spirituality has changed and developed over the centuries Draws out the distinctive themes of Christian spirituality exploring the historical and cultural events and experiences that changed people s attitudes and practices Coverage extends

right up to the modern day exploring the huge changes in spirituality in recent years and the way it is nowadays often contrasted with religion

Written by a leading commentator on spirituality and published in the popular Brief Histories of Religion series **There is no Religion Higher than the Truth** Helena Blavatsky,2023-12-03 In *There is no Religion Higher than the Truth* Helena Blavatsky weaves a complex tapestry of philosophical inquiry and metaphysical exploration The book is a profound examination of the interrelation between religion spirituality and the quest for ultimate truth Blavatsky employs a rich literary style that is both poetic and intellectually rigorous drawing heavily on ancient wisdom and esoteric traditions Set against the backdrop of the arising theosophical movement in the late 19th century this work challenges conventional religious dichotomies and advocates for a universal truth that transcends dogma Helena Blavatsky co founder of the Theosophical Society was a pivotal figure in the dissemination of Eastern philosophical concepts in the West Her diverse background as a Russian aristocrat and a traveler in India exposed her to various spiritual traditions profoundly influencing her vision of a unified spiritual philosophy This personal journey coupled with her commitment to fostering an understanding of complex metaphysical ideas is palpable throughout the text This book is indispensable for scholars spiritual seekers and anyone interested in the synthesis of religious thought Blavatsky's compelling arguments provoke deep reflection and invite readers to question their own beliefs making it a transformative read for both the novice and the seasoned philosopher *General History of the Christian Religion and Church, from the German of Augustus Neander* August Neander,1854 **Pure Love, Pure Poetry, Pure Prayer** Peter J. Gorday,2018-09-14 By the time of his death in 1933 Henri Bremond priest and member of the elite Académie française had established himself in France and increasingly in England and the United States as a distinguished historian of Christian spirituality and as a Catholic modernist who helped to shake the church out of its dogmatic slumbers by embracing pure love artistic poetic expression and mystical prayer as the privileged manifestations of spiritual truth Drawing on substantial new scholarship in France that has resuscitated and reinterpreted Bremond's work for our own times and that sees Bremond as an important precursor of current trends in literary interpretation as well as spirituality Gorday surveys the entirety of Bremond's corpus of writing setting his work in its context of his personal struggles as well as the wider setting of French historical and cultural development *The Fear of God in Relation to Religion, Theology and Reason* Robert Brown,1876 *The Fear of God in Relation to Religion, Theology and Reason* Robert BROWN (Minister of Markinch.),1876 **Catholic Moral Tradition, Revised** David Bohr,2006-02-22 Too many Catholics tend to believe that morality is primarily about keeping laws and avoiding sin *Catholic Moral Tradition Revised* shows how from the beginning the Christian moral life is first and foremost about living our lives according to the new law of grace The gift of the Holy Spirit given us at baptism is a dynamic inner principle that transforms us into a new creation in Christ This book presents an introductory summary of contemporary Catholic moral teaching based upon the renewal mandated by the Second Vatican Council It also incorporates subsequent

Church documents especially the moral encyclicals of John Paul II *Veritatis Splendor* and *Evangelium Vitae* along with his three encyclicals on Catholic social doctrine and the Catechism of the Catholic Church **Eating the Bread of Life** Werner H. K.
