The Routledge Handbook of Social Work Theory Malcolm Payne, Emma Reith-Hall, 2019-06-25 The Routledge Handbook of Social Work Theory provides an interdisciplinary and international introduction to social work theory. It presents an analytical review of the wide array of theoretical ideas that influence social work on a global scale. It sets the agenda for future trends within social work theory. Separated into four parts, this handbook examines important themes within the discourses on social work theory as well as offering a critical evaluation of how theoretical ideas influence social work as a profession and in practice. It includes a diverse range of interdisciplinary topics covering the aims and nature of social work, social work values and ethics, social work practice theories, and the use of theory in different fields of practice. The contributors show how and why theory is so important to social work and analyze the impact these concepts have made on social intervention. Bringing together an international team of leading academics within the social work field and newer contributors close to practice, this handbook is essential reading for all those studying social work as well as practitioners, policymakers, and those involved in the associated fields of health and social care.

Spirituality, Religion, and Aging Holly Nelson-Becker, 2017-02-01 Spirituality, Religion, and Aging: Illuminations for Therapeutic Practice by Holly Nelson-Becker is a highly integrative book written for students, professionals, aging ministers, and older adults themselves. Readers will gain the knowledge and skills they need to assess, engage, and address the spiritual and religious needs of older persons. Taking a fresh approach that breaks new ground in the field, the author discusses eight major world religions and covers values and ethics, theories, interventions, health, and caregiving, depression, and anxiety, dementia, and the end of life. Meditations and exercises throughout the book allow readers to expand and explore their personal understanding of spirituality. Referencing the latest research, the book includes assessments and skill-based tools designed to help practitioners enhance the mental health of older people.

Behavioral Health Len Sperry, 2013-07-24 In this age of accountability and irrespective of whether they work in health care settings or conventional mental health settings, all therapists will be increasingly expected to provide effective psychosocial treatment to individuals and families who face comorbid medical conditions. Statistics show these conditions are daunting: 75 percent of adults over age 65 and 50 percent of Americans constantly experience chronic medical symptoms, and prevalence rates of chronic medical conditions are more than three times higher than mental illness.

While it can be helpful to conceptualize treatment in terms of individual dynamics and utilize cognitive behavioral strategies it can be much more effective to conceptualize family as well as individual dynamics and to utilize systemic interventions when indicated Effective Treatment of Individuals and Families Facing Medical Conditions addresses the need for these types of interventions It provides background information on 12 common medical conditions and includes discussions of family dynamics as well as medical and psychosocial treatments While recognizing the role of personality culture and illness dynamics it emphasizes the centrality of family dynamics in conceptualizing and implementing interventions [Oncology Rehabilitation E-Book](#) Deborah Doherty,Chris Wilson,Lori Boright,2022-07-23 Coverage of physical therapy patient management includes acute care outpatient and multidisciplinary clinical settings along with in depth therapeutic management interventions Content on the continuum of cancer care addresses the primordial primary secondary tertiary and quaternary stages in prevention and treatment Focus on clinicians includes the professional roles responsibilities self care and values of the oncology rehabilitation clinician as an integral member of the cancer care team Information on inseparable contextual factors helps in dealing with administrative infrastructure and support advocacy payment and reimbursement of rehabilitation as well as public policy Evidence Summary and Key Points boxes highlight important information for quick at a glance reference Clinical case studies and review questions enhance your critical thinking skills and help you prepare for board certification specialty practice and or residency Enhanced eBook version included with print purchase allows you to access all of the text figures and references from the book on a variety of devices Resources in the eBook include videos board review questions case studies and a curriculum map to highlight and demonstrate the correlation to the requirements for Oncology Rehabilitation Residency programs and the board certification exam Guidebook approach provides immediate meaningful application for the practicing oncology rehabilitation clinician [Psychology and Psychotherapy in the Perspective of Christian Anthropology](#) Nicolene L.
