Spiritual-Mindedness John Owen, 2014-12-12 In *Spiritual Mindedness* Puritan theologian John Owen presents a powerful treatise on the importance of setting one's mind on heavenly realities Drawing from Romans 8 To be spiritually minded is life and peace Owen explores the nature of spiritual mindedness its effects on the soul and how to cultivate it in one's life He argues that a mind fixed on Christ and eternal truths is the key to experiencing true life and peace even amidst earthly trials With profound insights and practical wisdom Owen guides readers in understanding the transformative power of spiritual affections He offers valuable instructions on meditating upon God's character the glories of heaven and the work of the Holy Spirit in renewing our minds Through these practices believers can experience a deeper intimacy with God and find abiding joy in Him This timeless classic is a must read for anyone seeking to grow in their faith and discover the peace that comes from a spiritually oriented life Owen's rich biblical teaching and heartfelt exhortations continue to resonate with readers today offering a roadmap to a life centered on Christ and His eternal kingdom **Spiritual-Mindedness** John

Owen, 2021-09-28 Thomas Chalmers wrote that Owen's book on *Spiritual Mindedness* holds a distinguished rank among the voluminous writings of this celebrated author For him three features made it very special The force with which it applies truth to the conscience The way Owen plumbs the depths of Christian experience as a skillful physician of the soul The uncovering of the secrets of the mind and heart so that the true spiritual state of the reader is discovered This book began life as a collection of meditations on Romans 8:6 which were written for the author's own benefit during a time of illness Alarmed by the subtle power the world exercises over the mind Owen shows us how to really live by raising our thoughts above all earthly objects and setting them on things above where Christ is Col 3:1 A favorite book of William Wilberforce it contains some passages which are not surpassed in all of Owen's writings It comes from the pen of a tender hearted pastor whose only purpose is to encourage the believer in the ongoing battle against sin So if you feel overwhelmed by the power of worldliness then this is definitely the book for you [How Do I Develop Heavenly-Mindedness and Spiritual Conversation?](#)

Roberts Maurice, 2018-06-15 Every true believer lives to the glory of God and should desire to grow develop and make progress in spirituality In this booklet Maurice Roberts guides us through this spiritual growth and development with practical guidance for fostering heavenly mindedness and spiritual conversation The more we grow in heavenly mindedness the more we will shine as lights in this dark world And the more we aim to promote God honoring conversation the more we will be seen to walk in the steps of our master Jesus Christ of whom it was truly said Never man spake like this man John 7:46

The Grace and Duty of Being Spiritually Minded John Owen, 2025-07-02 First published in 1681 *The Grace and Duty of Being Spiritually Minded* Declared and Practically Improved is John Owen's thorough exposition of the believer's call to set their thoughts and affections on heavenly things Drawing on Romans 8:6 To be spiritually minded is life and peace and Colossians 3:2 Set your affection on things above Owen unmask the stark contrast between minding the flesh and minding

the Spirit showing how spiritual mindedness brings true life and peace This refreshed edition preserves Owen s complete original text while rendering the language into clear modern English for twenty first century readers Whether you seek to deepen your communion with God cultivate a lasting passion for heavenly pursuits or understand the practical outworking of spiritual renewal this modern version delivers rigorous theology and actionable insight for every stage of the Christian journey

Watchfulness Brian G. Hedges,2018-02-22 Are you watchful in your Christian life Although watchfulness is not as familiar as spiritual disciplines like meditation prayer and fasting it is just as necessary for a healthy spiritual life Scripture exhorts all Christians to be watchful regardless of their station and season in life In Watchfulness Brian Hedges provides a fresh look at the what why how when and who of watchfulness drawing principles from Scripture and instruction from believers of the past who have understood this discipline and written about it Designed for reflection self examination and personal application with Examine and Apply questions at the end of each chapter this book will chart your course toward greater watchfulness increased holiness and deeper communion with the triune God

Meet the Puritans Joel R. Beeke,Fraser E. Jones,Randall J. Pederson,2025-10-21 Whether you re meeting them for the first time or returning with questions this is the indispensable guide to the lives and works of the Puritans If your impression of the Puritans comes from grim portraits high collars and joyless sermons Meet the Puritans will surprise you in the best way Behind those caricatures lies a warm Christ centered spiritual tradition shaped by people who loved Scripture treasured grace and sought to glorify God in every part of life The Puritans took life seriously because they took God seriously Grace and guilt love and sacrifice heaven and hell weren t abstractions to them they were urgent realities Today when conviction of sin is dismissed as gloom when earnest faith is pitied and when diligent obedience is labeled as legalism we desperately need their witness If you hunger for depth for holiness for real communion with God open these pages Let these lives challenge you and these writings nourish you Take the time to meet the Puritans you ll find in them deep truths godly examples and an exalted Christ This New Edition Includes 45 New Biographies for a total of 190 English and American Puritans seventeenth century Scottish Presbyterians and Dutch Further Reformation divines 278 New Summaries of Puritan works with annotated bibliographies of modern reprints Comprehensive Revision of the entire previous edition 200 New Titles Added to the select bibliography of secondary sources New Expanded Glossary plus an updated expanded list of Puritan publishers The definitive reference for engaging the Puritan tradition praised by pastors scholars and serious readers alike Substantial enough for study accessible enough for devotional use Meet the Puritans is that rare kind of reference book that invites you to actually read it If you re serious about reading the Puritans or simply looking for a clear starting point this is the place to begin

, **The Psychology of World Religions and Spiritualities** Timothy A. Sisemore, Joshua J. Knabb, 2021-09-20 This compendium of introductory essays invites scholars and clinicians to better understand people of various faiths from around

the world It is intended to correct the tendency among scientists to study religious behavior without accounting for its human dimension For example a psychologist describes a religious ceremony in a certain community as a sociological phenomenon Such a technical description is likely to strike members of that community as an attempt by science to explain away their beliefs This is counterproductive In order to work effectively and empathetically with people of faith psychologists should seek an intimate knowledge of how religion operates in the hearts and minds of living breathing human beings With this goal in mind editors Timothy Sisemore and Joshua Knabb have made one of the world s major religions the subject of a separate chapter In addition they have arranged for each chapter to be written by a psychologist who practices or is culturally connected with that religion This marks the book s unique contribution to the field it is the product of people who have lived the world s religions not merely studied them By taking such a respectful approach the book promotes an appreciation for the ways that religious belief animates inspires and instructs its adherents Moreover the indigenous point of view of these essays will help scholars identify their own biases when researching religious groups allowing them to produce more accurate and holistic analyses Psychologists understand that religion and spirituality provide meaning and purpose to billions of people around the globe But the actual experience of these beliefs eludes the grasp of the reductionistic methods of science With this resource at their side psychologists in academic and clinical settings will be equipped to understand religious experience from the bottom up and honor the beliefs and practices of the people they are trying to help

Puritan Heroes Joel R. Beeke, Glenda Mathes, 2018-10-15 Who were the Puritans and why are they important What can we learn from them today The Puritan movement began in England during the sixteenth century and continued all the way into the early eighteenth century Although the Church of England was formed as a result of the Reformation the Puritans believed it needed much more reform Puritan Heroes is a beautifully illustrated book that gives the reader an idea of what the Puritan movement was about and offers a glimpse into the lives of more than twenty of its most well known leaders among them William Perkins Richard Sibbes Thomas Goodwin Anne Bradstreet and Jonathan Edwards The book concludes with ten important lessons readers can learn from the Puritans and study questions to help them retain these fascinating stories and assist them in applying the lessons to their lives It also features a bibliography to encourage further study in greater depth as well as a glossary and timeline to help readers understand historical context Written for children and young people it will prove a suitable introduction to the Puritans for adults as well

Stephen Yuille, 2008-04-15 Without minimizing the validity of the social political and ecclesiastical approaches to this field of study Yuille affirms that the essence of Puritanism is found in its spirituality He demonstrates this by turning to a relatively unknown Puritan George Swinnock 1627-1673 At the root of Swinnock's spirituality was his concept of fear of God as the proper ordering of the soul's faculties after the image of God This concept is pivotal to Swinnock's spirituality because he viewed it as the Christian's true principles of practice Yuille shows the prevalence of this paradigm among Swinnock's fellow Puritans and sets it in a historical tradition extending back to Augustine through Calvin **Phronema Tou Pneumatos** John Owen, Ebenezer Porter, 2009-04 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world's literature in affordable high quality modern editions that are true to the original work A Good Educational Reference Course of God, Communion of ... , History of Religion in England from the Opening of the Long Parliament to the End of the Eighteenth Century John Stoughton, 2025-07-10 Reprint of the original first published in 1881 The Antigonos publishing house specialises in the
