Spiritual Warfare Warning Your Soul Is In Danger Paperback:

Spiritual Warfare Jimmy Lowery,2000-04 In today s society many games have been developed for use on the computer However some of those games are still in the old fashion form such as the Ouija Board tarot cards and the new Angel Board This book Spiritual Warfare Warning Your Soul Is In Danger provides alarming information concerning various types of occult games It contains the theology behind angels and demons and provides personal stories of those who have encountered both If you are a Minister or Youth Minister this is a definite must read *Spiritual Warfare and the Discernment of Spirits* Dan Burke,2020-01-09 Dan Burke presents the venerable time tested wisdom of Catholic mystics to help you understand the influence of the Enemy on your mind and heart and the tactics you need to combat him **Larson's Book of Spiritual Warfare** Bob Larson,1999-04-05 Larson s Book of Spiritual Warfare is a window into a world many Christians have no idea exists An expert on the occult cults and supernatural phenomena Bob Larson provides a comprehensive guide to the motivating factors of much of the deviant behavior occurring in society today *Tares and Weeds in Your Church, Trouble & Deception in God's House, the End Time Overcomers* R. B. Watchman,2018-01-30 Updated in 2020 Is there a battle taking place in your church leading to divisions and splits Can you do anything to stop the infiltration of the enemy Through prophetic insight and personal experience in many churches R B Watchman will expose a hidden snare used by Satan to undermine God s purposes in His Church Tares and weeds are counterfeit Christians They are often unknown pawns of the enemy used to sabotage Kingdom work and all who are involved in it to discourage dishearten depress or even destroy They are planted to ultimately resist God s will being fulfilled Learn how to recognize tares Their form nature and how they operate How to deal with them in God s peace How to neutralize them in the Holy Spirit How to protect yourself and others Being victorious in Jesus Christ Experience God s freedom and victory at home in your church or workplace as you participate in spiritual warfare in Christ Jesus through the power of the Holy Spirit Be victorious in Christ and see God s good pleasing and perfect will done as the enemy is defeated through Holy Spirit led prayers *The Book of Affinitive Life* Lee Arnold Green,2024-09-11 The Book of Affinitive Life Part 1 in Conjunction The Book of Life is mainly about life on Earth concerning the invited signals of love that create addictions and eventually transcend into affinitive life It is commonly characterized in the world as a passion hobby or bond to someone or something and it is practiced or lived by means of a habitual lifestyle or habit by virtue of signal responsiveness in response to behavior in interaction with whom or what affinitive life centers on The surprisingly interesting spiritual fact about the love signal is that it lies beyond ordinary experiences and supernaturally transcends into an acquired spirit that is grafted into your natural spirit as an integral part which is then potentially lived as affinitive life and in turn a passion hobby or bond to someone or something Affinitive life as a passion hobby or bond is actually unknown to the world as such That is because it is spirit based and all spiritual lives are physically based First Corinthians 2 14 15 says The natural man receiveth not the things of the Spirit of God for they are

foolishness unto him neither can he know them because they are spiritually discerned But he that is spiritual judgeth all things yet he himself is judged of no man That means scientists could never use genetic engineering to find the true meaning of passions hobbies or bonding to someone or something as an affinitive life because it is foolishness to them Genetic engineering is the direct manipulation of an organism s genome which means its genes are used by biotechnology also called genetic modification which is genetic manipulation of the genes of an organism s genome This book is the book of affinitive life part 1 to the natural side of life and the book of life to the spirit side of life of invited signals of love For that reason the name of this book is The Book of Affinitive Life Part 1 in Conjunction The Book of Life It is called The Book of Affinitive Life as it refers to and relates to the natural side of life first and then to the same degree it relates to the spirit side of life Additionally it characterizes the Book of Life which no natural or ordinary man could write there had to be a spiritual component All affinitive lives are lived optionally as a habitual lifestyle or habit in natural life in conjunction with natural life as an integral part

Armed & Dangerous Evangelist Jacqueline Felton,2020-04-24 The Late Walter Hawkins mentions in his song that There s a war going on and if you re gonna win so you better make sure that you have Jesus deep down within This battle cannot be won with bullets and guns For the enemy you cannot see with human faculties For we wrestle not against flesh and blood but against principalities against the rulers of darkness against spiritual wickedness in high places It s a fact that Satan s on your track and without any warning he ll launch his attack So you better make sure that you know that wherever you may go that you have the Sword which is the Word of God deep down in your soul We need the armour We need the armour of the Lord Walter Hawkins Love Alive III 1984 This spiritual war has been waging since the fall of mankind While living in The Garden of Eden the serpent or Satan approached Eve and persuaded her to disobey God by eating from the Tree of Knowledge And the Lord commanded the man you are free to eat from any tree in the garden but you must not eat from the tree of knowledge of good and evil for when you eat from it you will certainly die Genesis 2 16 17 The Lord provides a tangible manual or guidebook called The Bible for Born Again Believers to conduct persuasive spiritual warfare in defeating the enemy As you read this book you will learn about spiritual warfare and its origin the seven parts of the spiritual armour and how to effectively conduct spiritual warfare In all these things battles tribulations challenges stressors hardships attacks through Christ you are more than a conqueror because of His love Romans 8 37 It is our God s desire for His children to live victoriously in every area of their lives God bless you

The Watchman ,1888 *Amazing Grace Addiction Bible Study* Michael K. Mason,2016-08-05 The current success rate for addiction treatment is less than 30 percent which means that 7 out of 10 recovering addicts are not being cured of the so called disease of addiction Why doesn t treatment work The answer is simple addiction is not a disease In fact the mainstream mythology of Once and addict always and addict falls apart upon close inspection Therefore addictive behaviors must be evaluated within the context of not sickness but sin Through the study of the Bible so called addicts can

learn how to achieve forgiveness of their sins and deliverance from their addictions by offering their hearts minds and bodies to Jesus Christ They can then be taught how to take advantage of the powerful indwelling presence of the Holy Spirit to wage war against their persistent addictive thoughts Ultimately this study has been designed to help substance abusers to focus their minds on God instead of chemicals in order to subdue their stubborn cravings for the seductive forbidden fruit of intoxication

Transformative Time Travel Jay S. Lowder, 2024-10-31 Some words belong together But what about these Christian Non fiction Time travel Is that surprising Christians should engage in mental time travel each day Their minds should travel back to the cross of Jesus which should impact their choices today Then their minds should travel forward to the return of Jesus and have increased hope That is biblical meditation thinking about God s truths and then living a hope filled life But what happens when we do it wrong time traveling in fearful worried ways to the terrible future we can imagine Or what if readers fail to time travel to the future to be alert They may even live an undisciplined life today because they do not meditate on their tomorrows enough This book is more than just a book it s a biblical time travel guide It connects readers daily experiences with how God wants them to think about their past and future Readers will be surprised how many of their struggles are linked to their time travel skills What a victorious life awaits as readers learn to enjoy transformative time travel
