Split Pin Footballer World Cup:

The 1966 World Cup Final: Minute by Minute Jonathan Mayo, 2016-07-07 30th July 1966 For millions it was the greatest day of the greatest decade They may never have seen the Beatles in the Cavern or danced at Woodstock but they got to see the finest moment in English sporting history Everything came together that sunny afternoon The country was the centre of the world in fashion film and music so why shouldn't the World Cup be England's as well This is the story of that extraordinary 24 hours told through the eyes of the players the fans on the terraces and those watching and listening at home and abroad Take the young policeman with the tricky task of swapping the real Jules Rimet trophy for a replica the former German POW on holiday in Wales keeping his nationality secret as he watches the match in a stranger's house and the Kent firecrew dousing a chimney fire as they watch the final on television Full of fascinating details this book evokes a period when football fans wore suits to matches traffic policemen were invited into homes to watch the game and the England squad could walk to the cinema undisturbed the evening before the biggest game of their lives **Daily Graphic**,

Sport and Its Female Fans Kim Toffoletti, Peter Mewett, 2012-10-12 Why do women follow sports How do they participate from the sidelines and what is the significance of this contribution What can female fandom tell us about gender relations in sport This book explores these and related questions by bringing together the varied strands of research being conducted internationally across the social sciences and humanities on this emerging and topical field While sports spectatorship is a popular and well respected site of analysis no book length scholarly contribution documents women's experiences of sports fandom For this reason there is an obvious need for a book that offers researchers students and non professional readers an authoritative introduction to women's modes of sport support Sport and Its Female Fans will be a landmark contribution in the field of sport research and in studies of sports fandom making an original contribution to the growing yet under researched area of female sports spectators **Blood-Dollar Rampage** Kwaku Oxxaz, 2024-08-28 Blood dollar Rampage
