Mary Butts Joel Hawkes, 2024-04-04 A scholarly and experimental collection that offers fresh insight with a feminist focus into the often overlooked modernist writer Mary Butts and the contested processes of recovering such an author Scholars instrumental in the recovery of Mary Butts along with newer writers publishers printers and artists enter into conversation exploring the work of the British author whose body of work plays between high modernist forms and more popular genres writing that can be described as occult Gothic queer proto environmental and feminist Taking its cue from Butts's experimental rhythmic writing and the transnational artistic communities in which Butts moved in the 1920s the collection is a non linear exchange

rather than a collection of isolated arguments a conversation constructed from classical academic chapters knight s move non academic reflections and short responses to these This conversation lies at the intersection of feminism and reconstruction Chapters range between Butts s writing techniques and forms her position in the modernist canon contested sites of feminism in her work critical reception of that work queer and post critical readings and the success of and the need for a feminist recovery of the author The collection aims to be a feminist engagement while asking questions of what this might look like why it is needed and how such an approach offers fresh insight into an erudite playful difficult contradictory and experimental body of work Ultimately the collection asks how should we reconstruct the author and her work for the contemporary reader

Transcultural Graffiti Russell West-Pavlov,2005 Transcultural Graffiti reads a range of texts prose poetry drama in several European languages as exemplars of diasporic writing The book scrutinizes contemporary transcultural literary creation for the manner in which it gives hints about the teaching of literary studies in our postcolonial globalizing era Transcultural Graffiti suggest that cultural work in particular transcultural work assembles and collates material from various cultures in their moment of meeting The teaching of such cultural collage in the classroom should equip students with the means to reflect upon and engage in cultural bricolage themselves in the present day The texts read from C saire s adaptation of Shakespeare s Tempest via the diaspora fictions of Marica Bodrozic or David Dabydeen to the post 9 11 poetry of New York poets are understood as graffiti like inscriptions the result of fleeting encounters in a swiftly changing public world Such texts provide impulses for a performative risk pedagogy capable of modelling the ways in which our constitutive individual and social narratives are constructed deconstructed and reconstructed today

The 1980s: A Decade of Contemporary British Fiction Philip Tew,Emily Horton,Leigh Wilson,2014-02-27 How did social cultural and political events in Britain during the 1980s shape contemporary British fiction Setting the fiction squarely within the context of Conservative politics and questions about culture and national identity this volume reveals how the decade associated with Thatcherism frames the work of Kazuo Ishiguro Martin Amis and Graham Swift of Scottish novelists and new diasporic writers How and why 1980s fiction is a response to particular psychological social and economic pressures is explored in detail Drawing on the rise of individualism and the birth of neo liberalism contributors reflect on the tense relations between 1980s politics and realism and between elegy and satire Noting the creation of a heritage industry during the decade the rise of the historical novel is also considered against broader cultural changes Viewed from the perspective of more recent theorisations of crisis following both 9 11 and the 21st century financial crash this study makes sense of why and how writers of the 1980s constructed fictions in response to this decade s own set of fundamental crises

Historical Dictionary of British Cinema Alan Burton,Steve Chibnall,2013-07-11 British cinema has been around from the very birth of motion pictures from black and white to color from talkies to sound and now 3D it has been making a major contribution to world cinema Many of its actors and directors have stayed at home but others ventured abroad like Charlie Chaplin and Alfred

Hitchcock Today it is still going strong the only real competition to Hollywood turning out films which appeal not only to Brits just think of Bridget Jones while busily adding to franchises like James Bond and Harry Potter So this Historical Dictionary of British Cinema has a lot of ground to cover This it does with over 300 dictionary entries informing us about significant actors producers and directors outstanding films and serials organizations and studios different films genres from comedy to horror and memorable films among other things Two appendixes provide lists of award winners Meanwhile the chronology covers over a century of history These parts provide the details countless details while the introduction offers the big story And the extensive bibliography points toward other sources of information *Shakespeare's Books* Stuart Gillespie,2016-02-25

Shakespeare's Books contains nearly 200 entries covering the full range of literature Shakespeare was acquainted with including classical historical religious and contemporary works The dictionary covers works whose importance to Shakespeare has emerged more clearly in recent years due to new research as well as explaining current thinking on long recognized sources such as Plutarch Ovid Holinshed Ariosto and Montaigne Entries for all major sources include surveys of the writer's place in Shakespeare's time detailed discussion of their relation to his work and full bibliography These are enhanced by sample passages from early modern England writers together with reproductions of pages from the original texts Now available in paperback with a new preface bringing the book up to date this is an invaluable reference tool

Forthcoming Books Rose Army,1993-12 **The Encyclopedia of Fantasy** John Clute,John Grant,1999-03-15 Like its companion volume *The Encyclopedia of Science Fiction* this massive reference of 4 000 entries covers all aspects of fantasy from literature to art **Goethe: Novels & Novellas** Johann Wolfgang von Goethe,2019-04-19 This meticulously edited collection is formatted for your eReader with a functional and detailed table of contents *The Sorrows of Young Werther* Wilhelm Meister's Apprenticeship Wilhelm Meister's Journeyman Years *Elective Affinities* *The Good Women* *Novella or A Tale* *The Recreations of the German Emigrants* *Green Snake and the Beautiful Lily* *A Fairy Tale* **The Rise of the Cyberzines:**

The Story of the Science-Fiction Magazines from 1991 to 2020 Mike Ashley,2022-02-15 Shortlisted for the Locus Science Fiction Foundation Non Fiction Award 2023 *The Rise of the Cyberzines* concludes Mike Ashley's five volume series which has tracked the evolution of the science fiction magazine from its earliest days in the 1920s to its current explosion via the internet This series has traced the ways in which the science fiction magazine has reacted to the times and often led the way in breaking down barriers for example in encouraging a greater contribution by women writers and stimulating science fiction globally Magazines have continued to build upon past revolutions such as the new wave and cyberpunk producing a blend of high tech science fiction and expansive speculative fiction that has broadened the understanding of science and its impact on society This final volume which covers the years 1991 2020 shows how the online magazine has superseded the print magazine and has continued to break down barriers especially for the LGBTQ community and for writers of colour

Public Women in British India Rimli Bhattacharya,2018-05-15 This book foregrounds the subjectivity of acting women

amidst violent debates on femininity and education livelihood and labour sexuality and marriage It looks at the emergence of the stage actress as an artist and an ideological construct at critical phases of performance practice in British India The focus here is on Calcutta considered the second city of the Empire and a nodal point in global trade circuits Each chapter offers new ways of conceptualising the actress as a professional a colonial subject simultaneously the other and the model of the new woman An underlying motif is the playing out of the idea of spiritual salvation redemption and modernity Analysing the dynamics behind stagecraft and spectacle the study highlights the politics of demarcation and exclusion of social roles It presents rich archival work from diverse sources many translated for the first time This book makes a distinctive contribution in intertwining performance studies with literary history and art practices within a cross cultural framework Interdisciplinary and innovative it will appeal to scholars and researchers in South Asian theatre and performance studies history and gender studies
