from the heart As we work towards this goal we isolate and identify the negative emotions that have been growing and harvesting within These negative emotions equate disease This book is your guide to help acknowledge these fears recognize and release them one by one creating a new you a lighter you We then experience a new energy a more evolved energy a higher vibrating energy as we invite the energy of excellent health and balance into our bodies It is here that **Sail Into Your Dreams** Karen Mehringer,2007 Sail into Your Dreams is the perfect book for anyone who s ever asked Is this all there is to life Unsatisfied with her busy life in Seattle Karen Mehringer embarked on a six month life changing ocean odyssey to Australia Indonesia Fiji and most importantly toward the joyful fulfilling life she had always wanted You don t have to leave land to make your dreams come true Karen shares the wisdom and practical tools she learned on her ocean odyssey showing us how to focus on what truly matters Journal entries and inspiring stories from Karen and others highlight how to slow down nurture yourself connect with others and tap into your life force energy the source of infinite possibilities This eight step program will help you assess your life and eliminate toxic relationships emotional trauma physical clutter and debt making space for new experiences that awaken your passion and spirit
