David A. Jasen

Spoonful Of Sugar Original Orchestra Score:

Something to Live For Walter van de Leur, 2002-01-31 Duke Ellington was one of jazz's greatest figures a composer and bandleader of unparalleled importance and influence But little attention has been given to his chief musical collaborator Billy Strayhorn who created hundreds of compositions and arrangements for his musical partner and without whom the sound of Ellington's orchestra would have been very different Now in Walter van de Leur's provocative new book *Something To Live For* Billy Strayhorn steps out from Ellington's shadow and into the spotlight Van de Leur argues that far from being merely a follower of Ellington or his alter ego Strayhorn brought a radically new and visionary way of writing to the Ellington orchestra Making extensive use for the first time of over 3 000 autograph scores Van de Leur separates Strayhorn from Ellington establishes who wrote what and clearly distinguishes between their distinctive musical styles Both Strayhorn's and Ellington's oeuvres writes Van de Leur though historically intertwined nevertheless form coherent separate musical entities especially in terms of harmonic melodic and structural design Indeed *Something to Live For* allows us to see the characteristic features of Strayhorn's compositions and arrangements his musical fingerprints and to analyze and evaluate his music on its own terms The book also makes clear that Strayhorn's contribution to the band was much larger and more original than has been previously acknowledged Based on a decade of research and offering detailed analyses of over 70 musical examples *Something to Live For* casts new light and will surely arouse intense debate on two of the most important composers in the history of jazz

The Spirit and the Screen Steven Félix-Jäger, Chris E. W. Green, 2023-05-15 *The Spirit and the Screen* engages contemporary films from the perspective of pneumatology to give theologians of culture fruitful new perspectives that begin with the Spirit rather than other common theological contact points Christology anthropology theological ethics creation eschatology etc This book explores pertinent pneumatological issues that arise in film as well as literary devices that draw allusions to the Spirit It offers three main contributions first it explores how Christian understandings of the person and work of the Spirit illuminate the nature of film and film making second it shows that there are in fact Spirit figures in film as distinct from but inseparable from Christ figures even if sometimes they're not intended as such Spirit-led characters are moved to act prophetically against their inclinations and in excess of their skill or knowledge and with eccentric life giving creativity third it identifies subtle and explicit symbolizations of the Spirit in pop culture symbolizations that require deep careful thinking about the Christian doctrine of the Spirit and generate new horizons for cultural analysis The contributors of this book explore these issues asking how Christian convictions and experiences of the Spirit might shape the way one thinks about films and film making

Making Mary Poppins Todd James Pierce, 2025-11-11 The untold story behind a beloved classic *Making Mary Poppins* reveals the extraordinary true story behind the creation of one of the most beloved films of all time and the two little known songwriters who helped make it possible Long before Mary Poppins danced across the rooftops of Edwardian London and into the hearts of millions Robert and Richard Sherman were

Christensen,2014-10-31 Kenneth A Christensen THE TOSCANINI MYSTIQUE is the first full length biography about the legendary Italian conductor's life and career in almost thirty five years Maestro Toscanini had a frigid and extremely unhappy childhood along with a severe musical education at the Parma Conservatory This unglamorized account of a gifted teenager's professional conducting debut at Rio de Janeiro's Teatro Imperial is told as it really happened Toscanini was married to a ballerina Carla De Martini who bore him four children but also had an illegitimate son with a gifted soprano who was born retarded Toscanini's vulgar mistreatment of nearly all the singers and musicians who performed under his direction was legendary and is examined with unusual insight about his uncanny memory and talent for musical recreation The recollection of many famous artists including Caruso Debussy Kreisler Puccini Stravinsky Verdi and Wagner's descendants are quoted alongside his confrontations with Hitler Mussolini and the Sicilian mafia But the Maestro also was the most generous of all musicians donating both his time and talents to many worthwhile charities for which he received no financial compensation The life of this great conductor is presented as the struggles of a musical and theatrical reformer who was a major historical figure that just happened to be one of the greatest musicians who ever lived Mr Christensen has painstakingly wrote his narrative using all the previous biographies and magazine articles on his life the scripts of two video documentaries and the liner notes for the most widely available re-releases of his recordings He rewrote and clarified the awkward original Italian translations for non specialist readers and has supplied new English translations for the numerous operatic titles and other musical works as well as all the foreign language newspapers magazines and theatres mentioned in the text In addition he has provided professional critiques on the most widely available Toscanini recordings from RCA Victor's Arturo Toscanini Collection and historic reissues of Toscanini's NBC radio broadcast concerts Here was a man who had the nerve to stand up to world dictators and fought hard to prevent the Western world's supreme musical masterpieces from being abused and mistreated but without taking any credit for laboriously recreating all

these composers inspiration He enjoyed to play practical jokes on his family and friends but this humorous side is known only through letters because Toscanini never published any autobiography or memoirs about his art Toscanini gave the world premieres of 14 operas including Leoncavallos Pagliacci and three by Puccini including La Boheme La Fanciulla del West and Turandot Toscanini served as musical director the Teatro Regio in Turino 1895 98 La Scala in Milano 1898 1908 New Yorks Metropolitan Opera 1908 1915 barely missed dying upon the Lusitania becoming musical director of La Scala again 1920 1929 the New York Philharmonic 1926 1936 and the NBC Symphony Orchestra 1937 1954 In between he also guest conducted at the Bayreuth Salzburg and Lucerne Festivals and conducted the inaugural concerts of the Palestine Symphony Toscanini then recorded his most important repertory with the BBC Symphony and the Philadelphia Orchestra the New York Philharmonic and NBC Symphony Orchestras alongside the Robert Shaw Chorale and such esteemed soloists as Jascha Heifetz Rudolf Serkin plus his own son in law Vladimir Horowitz His seven operatic recordings featured Jan Peerce Helen Traubel Richard Tucker Giuseppe di Stefano Rose Bampton Cesare Siepi Herva Nelli Licia Albanese Robert Merrill Jussi Bjoerling Lauritz Melchior and many other gifted singers and musicians of the past whose names alone are too much to mention **Presbyterian Banner** ,1907 **Recorded Concert Band Music, 1950-1987** Richard Michael Rasmussen,1988 Duke's Diary Ken Vail,2002-09-27 Part Two begins with Ellington s return from his band s European tour in June 1950 and concludes with his death in 1974
