Christianity and Social Scientific Perspectives on Sport Tom Gibbons,Stuart Braye,2020-06-29 There has been a dramatic increase in academic research activity and practical initiatives on the topic of sports and Christianity and its

cultural significance during the past decade The Faculty of Health and Life Sciences at York St John University York UK hosted the Inaugural Global Congress on Sports and Christianity IGCSC 24 28th August 2016 in collaboration with the Bible Society at which there were 180 delegates from 22 countries in attendance For the area of sports studies the social scientific study of sport there was a thematic strand at the congress titled Christian sociological perspectives on sport from which a special edition of the journal Sport in Society partially emanated This book is based upon this journal special edition The papers selected for inclusion in the special edition were purposely eclectic in order to demonstrate the diversity of current research occurring in the area of Christianity and social scientific perspectives on sport The goal was to bridge divisions between various social science disciplines and theology or religious studies through varied novel and interesting explorations of sport in its various forms We hope this collection inspires further studies into this area The chapters in this book were originally published in a special issue in Sport in Society

Archives and New Modes of Feminist Research Maryanne Dever, 2020-04-28 In an era when the metaphor of the archive is invoked to cover almost any kind of memory collection or accumulation it is important to re examine what is entailed politically and methodologically in the practice of feminist archival research This question is central not only to the renewed interest many disciplines are showing in empirical research in archives but also given the current explosion of online social and cultural data which has fundamentally transformed what we understand an archive to be Contributors in this collection are keen to mark out what may be novel and what is enduring in the ways in which feminist thought and feminist practice frame archives Importantly they engage with archives in their historical and political complexity rather than treating them as simple repositories of source material In this respect contributors are keenly interested in what it means to archive particular materials and not simply in what those materials may hold for feminist researchers The collection features established and emerging feminist scholars and brings together interventions from across such disciplines as history literature modernist studies cinema studies and law This book was originally published as a special issue of the journal Australian Feminist Studies
