Voss, 2019-11-05 This is the only collection ever made of Bryant s letters two thirds of which have never before been printed Their publication was foreseen by the late Allan Nevins as one of the most important and stimulating enterprises contributory to the enrichment of the nation s cultural and political life that is now within range of individual and group effort William Cullen Bryant 1794 1878 was America s earliest national poet His immediate followers Longfellow Poe and Whitman unquestionably began their distinguished careers in imitation of his verses But Bryant was even more influential in his long career as a political journalist and in his encouragement of American art from his lectures at the National Academy of Design in 1828 to his evocation of the Metropolitan Museum of Art in 1870 Between the appearance of his first major poem *Thanatopsis* in 1817 and his death sixty one years later at the age of eight three Bryant knew and corresponded with an extraordinary number of eminent men and women More than 2 100 of his known letters have already been recovered for the present edition When William Cullen Bryant signed the first of 314 letters in the present volume in 1809 he was a frail and shy farm boy of fourteen who had nonetheless already won some fame as the satirist of Thomas Jefferson When he wrote the last in 1836 he had become the chief poet of his country the editor of its principal liberal newspaper and the friend and collaborator of its leading artists and writers His collected poems previously published at New York Boston and London were going into their third edition His incisive editorials in the *New York Evening Post* were affecting the decisions of Andrew Jackson s administration His poetic themes were beginning to find expression in the landscape paintings of Robert Weir Asher Durand and Thomas Cole The early letters gathered here in chronological order give a unique picture of Cullen Bryant s youth and young manhood his discipline in the
