[The No-Salt, Lowest-Sodium, Light Meals Book](#) Donald A. Gazzaniga, Maureen A. Gazzaniga,2025-09-23 Perhaps heartbreaking is the wrong word for a very happy event one that brings tears to your eyes because you know what the alternative would have been But however you describe it the letters that Don Gazzaniga finds on his web site ever since his

first cookbook was published easily bring tears to the reader's eyes. The doctor told him that the very low sodium diet is the main thing responsible for this success and I couldn't wait to share it with you. When I said that your book saved my husband's life I meant it. That first cookbook was a surprise to medical professionals and their patients alike. Doctors have always believed that no one could ever get below 1500 milligrams of sodium a daily diet. Keep it at that level. Don's doctor told the sixty-three year old Gazzaniga in 1997 He had diagnosed his patient's problem as congestive heart failure and was about to sign him up for the only solution believed possible a heart transplant. To Don this was a challenge. After a lot of research the help of nutritionist daughter Jeannie familiarity with the cuisines of many different countries and hours in the kitchen Don came up with a large selection of recipes and a twenty-eight day menu that never went above five hundred milligrams of sodium a day. Yep. That's five hundred. And the food was delicious. The recipes in that first diet were gathered in a general cookbook that told readers just about everything they needed to know where to find the right ingredients how to make tasty substitutions that did not raise the sodium level and more with the sodium count given for each ingredient and each recipe. That was The No Salt Lowest Sodium Cookbook. Don decided to embellish the general work with some specialties and with his wife Maureen created The No Salt Lowest Sodium Baking Book. If anyone thinks that you can't make delicious bread and pies and cookies and other baked goodies with very little or no sodium try a few of Don's recipes. i0 But suppose you want to celebrate your grandson's third birthday or your doctor's latest green light with a party and need delicious tidbits for the guests. Here they are in their new book. Sometimes you feel like a light lunch a salad a sandwich a bowl of soup. Here they are. There are sections explaining where to buy special flavorings and the like how to substitute low sodium or sodium free ingredients and a foreword by Dr Michael Fowler director of the Stanford Heart Transplant Program and medical director of the Stanford Cardiomyopathy Center. **Fresh from the Vegan Slow Cooker** Robin Robertson, 2012-09-25 Robin Robertson has built a publishing record of successful books in the vegetarian vegan category. Her earlier cookbook Fresh from the Vegetarian Slow Cooker established her bona fides as an expert on the creative use of slow cookers and her entire body of work speaks to her ingenuity in the kitchen and the breadth of enticing ingredients and flavors with which she works. Fresh from the Vegan Slow Cooker provides practical guidance on how to work with different models of slow cookers taking into account the sizes of various machines the variety of settings they offer and the quirks and personalities of each device. She addresses any lingering skepticism readers may have about whether slow cookers can have delicious meat free applications and she shows how to take into account the water content of vegetables and the absorptive qualities of grains when vegan slow cooking. Fresh from the Vegan Slow Cooker includes eleven recipe chapters four of which focus on main courses. There are homey and comforting foods in the American and European style such as a Rustic Pot Pie Topped with Chive Biscuits and a Ziti with Mushroom and Bell Pepper Ragu and there are lots of East Asian South and Southeast Asian and Mexican Latin dishes too. Beans which cook slowly under any circumstance are fabulously well suited to the slow cooker.

and Robertson includes such appealing recipes as a Crockery Cassoulet and a Greek Style Beans with Tomatoes and Spinach Eighteen robust chilis and stews two more categories that do well in the slow cooker include a warming Chipotle Black Bean Chili with Winter Squash and a surprising but yummy Seitan Stroganoff Beyond the mains there are chapters devoted to snacks and appetizers desserts breads and breakfasts and even one on drinks The many soy free and gluten free recipes are clearly identified Altogether the collection offers readers loads of ways to expand their vegan repertoire and to get maximum value from their investment in a slow cooker
