

English Placement Test
Study Guide & Cut-Off Scores

Writing Sample

The English Placement Test will be administered on the computer. The English Placement Test begins with an essay assignment. You will have 45 minutes to plan and write your essay on the topic specified at the time of the test. Do not write on a topic other than the one specified; an essay on a topic of your own choice is not acceptable. The topic will be on some issue of general interest, drawing on your critical reading and academic writing skills.

You should have enough time to read and analyze the assigned topic carefully and to organize your thoughts before you begin writing. You may make notes in the space provided in the essay booklet.

Scoring Your Essay: The SRJC English faculty who evaluate your essay will expect you to write a well-organized essay, one in which you develop your ideas clearly and logically. Sentence and paragraph structure, usage, and grammar also contribute to your final essay score. Each essay is read and scored holistically by two different faculty members using a scoring guide that helps to define degrees of writing proficiency. The two readers' scores are combined to give your reported score, which will fall between 2 (low) and 12 (high). A score of 0 is given to essays not written on the assigned topic.

Remember: The readers will be looking for the following:

1. Addresses the topic and responds to all aspects of the task.
2. Demonstrates a critical understanding of the passage in developing a response.
3. Reveals some depth of thinking.
4. Coherently organized and developed, with a main idea supported by appropriate reasons, examples and details.
5. Command of sentence structure and language.
6. Grammatical accuracy.
