Heart of the

Bison Glen R. Stott, 2002-08-13 As the lambent light from the slumbering fire dances across the roof of the cave a young girl wakes from a dream Kec's dream tells her that her clan is in jeopardy and that Mother Earth expects her to do something to save her people A magic child will be sent to help her Far away Strong Branch a powerful Shaman of his people has his own dream The Great Spirit sends him a warning about a future of conflict and killing Kec's people are very simple but they are strong and powerful enough to have survived the ice ages of Pleistocene Europe by force for over one hundred thousand years Strong Branch's people are late comers from an alien world far to the South They bring an advanced technology that allows them to utilize the environment in ways Kec's people never could As the population of the aliens has grown over a period of more than twenty thousand years the stress on the environment has become critical Kec and Strong Branch must play their parts in a microcosm of the greater struggle for survival The conclusion of their struggle will establish a new story and a new history for each of their peoples *Caldera Book 2: Out Of The Fire* Heath Stallcup, 2017-12-09 Recently credited with wiping out the Neanderthals an ancient virus is released within Yellowstone National Park and quickly spreads A desperate plea for assistance reaches the military but are they coming to help those battling for their lives or to wipe out every living thing in an effort to prevent a second mass extinction Follow along with a select group of individuals as they fight for survival Can they avoid the infected Can they evade the military called in to help Can they trust each other Will humanity survive the raging cannibals that erupt from within *Ignatian Mysticism* Stephen J Costello, 2024-06-27 This work explores the influential Spiritual Exercises of Ignatius Loyola the sixteenth century Spanish soldier saint mystic and founder of the Jesuit Order The Ignatian Exercises including the Examen are brought into dialogue with the psychologies of C G Jung and Viktor Frankl the philosophies of Eric Voegelin and Bernard Lonergan as well as the thought of Teilhard de Chardin von Balthasar and Eastern philosophy Their enduring relevance and implications for the Recovery and wellness movement are also articulated Drawing on key themes such as gratitude forgiveness and consciousness as a springboard for reflection and interpretation the mystical dimension of Ignatian spirituality is emphasised throughout This book will benefit the beginner serious scholar spiritual seeker and anyone intent on gaining an understanding of this unique way of proceeding The Westminster Review , 1881 Pillar of Fire , 1929 **Oxford American Writer's Thesaurus** Christine A. After Atlantis Andrew Welburn, 2025-11-24 A revolution is reshaping our understanding of human origins Gone is the old narrative of slow animal like evolution Instead we now see humanity's emergence as marked by explosive transformations like the Palaeolithic spiritual leap that gave birth to cave art a profound expression of shamanistic visionary consciousness Even the long misunderstood Neanderthals are now recognized as integral to our story At the heart of this new prehistory lies the world of the cave artists whose vision shaped the essential scope of human existence along with its inherent dangers and excesses As explored in Andrew Welburn's acclaimed Neanderthals and Atlantis Rudolf Steiner and the New Prehistory nominated for the 2025 ISSR International Book Prize Steiner's linking of the Atlantis legend and the betrayal of its Mysteries to this era gains startling new relevance But the story does not end there Steiner revealed how the great cultures of antiquity India Persia Egypt and Mesopotamia were not merely outdated belief systems but vital stages in humanity's evolution of consciousness These traditions planted within us the seeds of moral sacrifice commitment to a better world and the courage to confront life and death Today cutting edge prehistorians are abandoning the myth of culture as a patchwork of conquests embracing instead a Palaeolithic Continuity Model that resonates deeply with Steiner's vision In this illuminating second volume Welburn bridges the gap between the Ice Age's transformative crisis and a bold new interpretation of modernity Drawing on Steiner's insights including the profound Moses Mystery he reveals how the Bible and Christianity are illuminated by the hidden currents of human consciousness A groundbreaking work that redefines our past to better understand our future

Prehistoric Humans in Film and Television Michael Klossner, 2015-01-09 From the early days of the movies cavemen have been a popular subject for filmmakers not surprisingly since the birth of cinema occurred only a few decades after the earliest scientific studies of prehistoric man Filmmakers however were not constrained by the emerging science instead they most often took a comedic look at prehistory a trend that continued throughout the 20th century Prehistoric humans also populated adventure fantasy films with the original One Million B.C. 1940 leading the charge Documentaries were also made but it was not until the 1970s that accurate film accounts of prehistoric humans finally emerged This exhaustive work provides detailed accounts of 581 film and television productions that feature depictions of human prehistory Included are dramas and comedies set in human prehistory documentaries and films and television shows in which prehistoric people somehow exist in historical periods from the advent of civilization up to the present or in extraterrestrial settings Each entry includes full filmographic data including year of release running time production personnel cast information and format A description of each film provides background on the prehistoric elements Contemporary critical commentary is included for many of the works

The

Paradox Men Charles L. Harness, 2015-07-30 Set after the Third Great War North and South America are united into one country Imperial America A slave state run by a small noble elite who flaunt their wealth by using and abusing the one commodity that only the rich can have human labour But working underground persecuted by the police is an organization dedicated to the overthrow of government and the existing way of life and the establishment of freedom The Society of Thieves was the only organization that flouted authority in America Imperial they robbed the rich to buy freedom for the slaves They were well equipped and trained for their job and had friends and informers in high places ready to reveal where the wealth of the nobles was hidden And Alar was the best Thief of them all for he had senses not found in ordinary men senses that accurately warned him when danger was near But Alar had amnesia and did not know his true identity though sometimes he sensed that there was a purpose in his actions that was not entirely his own volition When Keiris wife of the Imperial Chancellor saw him she sensed that he was something special and helped him to elude pursuit even though it put her own life in danger And in trips to the Moon and even the Sun itself Alar begins to see what part he is destined to play in the struggle for men s freedom
