The Alchemy of Freedom A. H. Almaas, 2017-03-28 Well known spiritual teacher A H Almaas uses the metaphor of the mysterious philosopher's stone to discuss a tremendous liberating power that leads to endless enlightenment For millennia alchemists sought the philosopher's stone the miracle substance believed to be the key to all the secrets of existence The quest was fueled by some of the prime questions of human existence What am I Why am I here How has this world come to be A H Almaas shows that the tremendous liberating power of the mysterious philosopher's stone is closer to us than we realize In fact it is the true nature of all reality in all times and all places without being limited to being anything in particular Through the philosopher's stone real transformation can happen our consciousness can become free and we can open to all the possibilities of reality Almaas discusses the factors that are involved in igniting the catalytic property of the philosopher's stone and then begins to unpack the properties of true nature when it is free of constraints Finally we are left with the revelation that true nature is endlessly knowable and yet nothing we can know or say about it exhausts its mystery and power The result is a new understanding of what liberation and practice are and a view of what it's like when seeking ceases and life becomes a process of continual discovery We begin to appreciate that the freedom of reality expressed in the complete and fulfilled life all human beings seek and few find is actually the simplicity of the ordinary

Activating Your Personal Faith to Receive: 25 Biblical Principles for Releasing the Power Within! Rich Brott, 2000-09 Author Rich Brott notes that faith is a choice an act of the human will It is a deliberate choice to place confidence in God and His Word Unbelief is a sin because it is a deliberate choice to withhold confidence in God and His Word Faith is a receiving of the truth an embracing of the truth and a commitment to the God of truth And commitment always produces action That is why faith without works is dead With no action there is no commitment With no commitment there is no faith In this book you will find 25 faith building principles that will enlarge your capacity to receive the very best that God has to offer you
