Spiritual Warfare Training Manual:

Spiritual Warfare Training Manual Philothea, Psy. D. / Philothea, 2013-02-21 Know where to look for God's solutions to your problems There is a spiritual world just as there is a world of the flesh The words of your mouth in the physical world affect your spiritual life which in turn affects your physical world To change your world change your words There is a battle going on between good and evil and if you are not an active combatant you're a victim Arm yourself protect yourself Where there is darkness shine the Light God's Word is the Light Spread the light that obliterates the darkness of sin hatred temptation anger disappointment depression etc Jesus gives us authority over evil and does not leave us defenseless For we wrestle not against flesh and blood but against powers and principalities therefore put on the full armor of God This Training Manual explains each part of the spiritual armor and its use as well as scripture to use to overcome disease hatred pride self pity etc Act Now *PREPARING THE ARMY OF GOD - A Basic Training Manual For Spiritual Warfare* Patrick J.

Hession, 2016-04-14 You are involved in a war not of your own choosing but one that is having a profound and personal effect on you What you do about it will determine where and how you will spend eternity You must choose sides but you cannot avoid the war On the basis of your choice you will become a winner or a loser This book is designed to prepare and equip you for that war S. W. A. T. Training Manual Shaolin Abrams, 2018-01-10 There's a great war being waged in the world today

and it's not a conflict between nations tribes or government leaders It's not a rebellion or coup but it's an important invisible battle taking place in the spirit world The Bible states that GOD's people are destroyed because of lack of knowledge Hosea 4:6 One of the main areas in which Believers are being defeated due to lack of knowledge is in spiritual warfare The early Church viewed their spiritual experience in terms of warfare and military terminology is used throughout the New Testament Protection was seen in the Armor of GOD and the Word of GOD was compared to a sword Satan's attacks were called fiery darts and faith was the good fight and Believers were told to wage a good warfare The early Church knew they were engaged in an intense spiritual struggle and the same spiritual battle continues today but instead of fighting the enemy Believers are often building great church buildings producing musical dramas holding fellowship meetings and fighting one another while this great spiritual battle wages around them Satan has even intensified his attacks against a church that has withdrawn from the front lines of battle and in these perilous and evil days are upon us it's even more important for Believers to understand spiritual warfare than in the early days of church history The Apostle Paul warned 2 Timothy 3:1 This I know also that in the last days perilous times shall come In order to be properly prepared for these perilous times renewed emphasis must be placed on the strategies of spiritual warfare because the Christian life is war and the sooner we recognize and prepare for it the sooner we will experience victory Luke 14:31 says What king going to make war against another king sitteth not down first and consulteth whether he is able with ten thousand to meet him that cometh against him with twenty thousand No king ever entered into a battle without a careful examination of his resources and development of battle

strategies but in essence that's what we are doing in this training manual. We are making a careful evaluation of the strategy, weapons, and power available to us to win the war against our enemy Satan. In the military world, strategy is the science of forming and carrying out military operations, and it is the method or plan which leads to the goal of victory. Warrior 101 Jackie Green, Jackie L. Green D. Min, 2018-05-09. Warrior 101 is preparation for active prayer duty and a foundational course in spiritual warfare that intercessors need to build a life of spiritual warfare. It will equip intercessors for everyday battles and especially learning night warfare and becoming a warrior church. This manual is excellent for individual or group study.

Spiritual Warfare John Labriola, 2015-10-29. Spiritual Warfare is intended to be a basic training manual for beginner Christians. The man or woman of God needs to be equipped with the knowledge and understanding of the fight. Christians are in, and the weapons and tools available in order to wage effective spiritual warfare in our everyday lives for the advancement of the kingdom of God in these last days. It is important to understand the constant spiritual battle Christians are in, who one is in Christ Jesus, the nature of God and His love, and the nature of the enemy and his tactics. Spiritual Warfare is set up as a study book with Scriptures and references so the reader can independently look up and study the Scriptures. This allows for the verification of these teachings, and as the reader studies these Scriptures, he or she may gain a greater understanding of the Word of God and spiritual warfare. As Christians take up arms in this battle, it is God who always leads us in His triumphal procession in Christ Jesus, and through us everywhere spreads the fragrant knowledge of Him. Jesus 2 Corinthians 2:14. Followers of Christ are to be ambassadors of the light of the gospel of Jesus Christ to the world, and it is God's will for such followers to be well equipped for a victorious outcome. **Spiritual Warfare Training Manual Revisited** Ivory

Hopkins, 2017-06-28. This manual is filled with new deliverance insight; it trains how to understand deliverance ministry with balance and sound biblical doctrine. It's an excellent teaching tool; it's filled with information and is great for teaching Deliverance Classes. **Prayer and Spiritual Warfare Training Manual** Dayo Brown, 2022-08-25. The true believer is a

soldier and must be seen as such from the day of his conversion to the day of his death. He must not live a life of religious ease, nor must he imagine that he can afford to sleep or doze on the way to heaven. This warfare would be unnecessary if man had a nature like that of an angel, and if he were never a fallen creature but with a corrupted heart, a busy devil, and an ensnaring world, he must either fight or perish. Necessity is laid upon us; we must contend. In order to secure a complete and a permanent victory in this battle, the believer must be fully clad in the whole armor of God, because only a spiritual armor would suffice in a spiritual warfare. For the weapons of our warfare are not carnal but mighty through God to the pulling down of strongholds. For whatsoever is born of God overcometh the world, and this is the victory that overcometh the world: even our faith. 2 Corinthians 10:4, 1 John 5:4. KJV. Any deviation from the counsels of God will ultimately lead to defeat: spiritual darkness, sorrow, enslavement, and regret. God's express command is that we should put on the whole armor; failure to do so amounts to deviation from His divine counsel. A believer without the armor is exposed to all the whims and caprices

of the devil He is like a city that is broken down and without walls He is like a building without a roof windows or doors He is wide open to the adverse effects of weather and is infested with all sorts of dangerous creatures He is unstable aimless helpless and hopeless Any believer who neglects the divine instruction to put on and utilize spiritual armor exposes himself to the harrowing experiences of the unsaved and the unregenerate Every believer must therefore get himself fully acquainted with these heaven sent resources in order to thrive in this spiritually hostile world we live in This Manual is a powerful tool for every believer who would war a good warfare APOSTLE DR DAYO BROWN **Spiritual Warfare Training Manual** Arleen Fuller,Ron Reuel Brown,Tina Brown,2017-10-19 This training manual was created to better equip the believers with the foundations strategies and weapons necessary to needed to effectively fight spiritual battles in the invisible realm
