Split Screen Nation Susan Courtney, 2017-02-01 Split Screen Nation traces an oppositional dynamic between the screen West and the screen South that was unstable and dramatically shifting in the decades after WWII and has marked popular ways of imagining the U S ever since If this dynamic became vivid in Quentin

Tarantino's *Django Unchained* 2012 itself arguably a belated response to *Easy Rider* 1969 this book helps us understand those films and much more through an eclectic history of U S screen media from the postwar era It deftly analyzes not only Hollywood films and television but also educational and corporate films amateur films aka home movies and military and civil defense films featuring tests of the atomic bomb in the desert Attentive to sometimes profoundly different contexts of production and consumption shaping its varied examples *Split Screen Nation* argues that in the face of the Cold War and the civil rights struggle an implicit sometimes explicit opposition between the screen West and the screen South nonetheless mediated the nation's most paradoxical narratives namely land of the free land of slavery conquest and segregation Whereas confronting such contradictions head on could capsize cohesive conceptions of the U S by now familiar screen forms of the West and the South split them apart to offer convenient discrete and consequential imaginary places upon which to collectively project avowed aspirations and dump troubling forms of national waste Pinpointing some of the most severe yet understudied postwar trends fueling this dynamic including non theatrical film road trips feature films adapted from Tennessee Williams and atomic test films and mining their potential for more complex ways of thinking and feeling the nation *Split Screen Nation* considers how the vernacular screen forms at issue have helped shape how we imagine not only America's past but also the limits and possibilities of its present and future

The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and gripping novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
