Sponsorship Proposal For The Documentary Film:

The Documentary Film Makers Handbook Genevieve Jolliffe, Andrew Zinnes, 2006-11-14 Documentary films have enjoyed a huge resurgence over the last few years and there's a new generation of filmmakers wanting to get involved. In addition, the digital revolution has made documentaries even more accessible to the general filmmaker. Documentary films can now be shot professionally using cheaper equipment and smaller cameras enable the documentarian to be less intrusive and therefore more intimate in the subject's lives. With an increasing number of documentaries making it to the big screen and enjoying ongoing sales on DVD, the time is right for an information-packed handbook that will guide new filmmakers towards potential artistic and commercial success. *The Documentary Film Makers Handbook* features incisive and helpful interviews with dozens of industry professionals on subjects as diverse as interview techniques, the NBC News Archive, music rights, setting up your own company, the Film Arts Foundation, pitching your proposal, the Sundance Documentary Fund, the Documentary Channel, the British Film Council, camera hire, filmmaking ethics, working with kids, editing your documentary, and DVD distribution. The book also includes in-depth case studies of some of the most successful and acclaimed documentary films of recent years, including *Mad Hot Ballroom*, *Born Into Brothels*, *Touching the Void*, *Beneath the Veil*, and *Amandla*. *The Documentary Film Makers Handbook* will be an essential resource for anyone who wants to know more about breaking into this exciting field.

Documentary Storytelling Sheila Curran Bernard, 2013-05-02 *Documentary Storytelling* is unique in offering an in-depth look at story and structure as applied not to Hollywood fiction but to films and videos based on factual material and the drama of real life. With the growing popularity of documentaries in today's global media marketplace, demand for powerful and memorable storytelling has never been greater. This practical guide offers advice for every stage of production, from research and proposal writing to shooting and editing, and applies it to diverse subjects and film styles, from vérité and personal narrative to archival histories and more. Filled with real-world examples drawn from the author's career and the experiences of some of today's top documentarians, *Documentary Storytelling* includes special interview chapters with Ric Burns, Jon Else, Nick Fraser, Susan Froemke, Sam Pollard, Onyekachi Wambu, and other film professionals. This second edition has been brought up to date with a more international focus, a look at lower budget independent filmmaking, and consideration of newer films including *Super Size Me*, *Murderball*, *So Much So Fast*, and *When the Levees Broke*. **The**
