

speech about "sports"

Sports are fun games that people play together. They make our bodies strong and healthy! We can play sports outside or inside. Some sports use a ball, like soccer or basketball, while others use special equipment, like bats and gloves for baseball. Sports help us learn how to work together as a team and follow rules. They also teach us about winning and losing gracefully. When we play sports, we run, jump, and have lots of fun! Whether it's kicking a ball or swinging a bat, sports make us happy and keep us active and strong.

Benjamin,1998-08-01 Benjamin dismantles Americans preconceived notions of the Japanese education system Gail R Benjamin reaches beyond predictable images of authoritarian Japanese educators and automaton schoolchildren to show the advantages and disadvantages of a system remarkably different from the American one The New York Times Book Review Americans regard the Japanese educational system and the lives of Japanese children with a mixture of awe and indignance We respect a system that produces higher literacy rates and superior math skills but we reject the excesses of a system that leaves children with little free time and few outlets for creativity and self expression In Japanese Lessons Gail R Benjamin recounts her experiences as a American parent with two children in a Japanese elementary school An anthropologist Benjamin successfully weds the roles of observer and parent illuminating the strengths of the Japanese system and suggesting ways in which Americans might learn from it With an anthropologist s keen eye Benjamin takes us through a full year in a Japanese public elementary school bringing us into the classroom with its comforting structure lively participation varied teaching styles and non authoritarian teachers We follow the children on class trips and Sports Days and through the rigors of summer vacation homework We share the experiences of her young son and daughter as they react to Japanese schools friends and teachers Through Benjamin we learn what it means to be a mother in Japan how minute details such as the way mothers prepare lunches for children reflect cultural understandings of family and education **Post-Beijing 2008: Geopolitics, Sport and the Pacific Rim** J.
