Homesteading Abigail Gehring, 2009-11 For readers who want to shrink their carbon footprint save money and eat homegrown food whenever possible this large fully illustrated guide and companion to the bestseller Back to Basics provides the basics of living a good clean life

Country Guide and Northwest Farmer, 1908 *Maids, Wives, Widows* Sara Read, 2015-05-30 A broad ranging

exploration of the everyday lives of women from social calls to medical needs during one of English history's most fascinating periods. Maids, wives and widows were the official classifications of women according to English law in the early modern era immediately following the medieval period. In this fascinating study of the time, historian Sara Read shows how varied, rich, joyous and sociable early modern women's lives were, not to mention just how busy or difficult they could be. Read, from the introduction, delves into how these women filled their days, including vivid details of what they liked to eat and drink, what jobs they held and how they raised their children. With chapters devoted to beauty regimes, fashion and literature, the book examines the cultural and domestic aspects of life as well as how women understood and dealt with their monthly periods and what it was like to give birth in a time before modern obstetric care was available. *Maids, Wives, Widows* also highlights key moments in women's history, such as the 1671 publication of the first midwifery guide by Jane Sharp, the turmoil caused by the Civil Wars of the 1640s, the various new religious sects in which women participated to a surprising extent, and many others. Also scrutinized are cases of notorious criminals, such as murderer Sarah Malcolm and confidence trickster Mary Toft, who pretended to give birth to rabbits.

The Rough Guide to Bali & Lombok Lucy Ridout, Lesley Reader, 2013-10-03 The Rough Guide to Bali and Lombok is the perfect companion for exploring the cultural and natural richness of these beautiful places, with clear maps and up-to-date coverage of the best attractions. Discover Bali and Lombok's highlights with the guide's full-colour introduction, showing everything from dramatic cliff-top temples to sparkling white sand beaches. Find detailed practical advice on what to see and do, with great coverage of family-friendly destinations and activities, the unique volcanic landscapes and Balinese pop music. Whether you're looking for bargain hostels and beach shacks or chic spas and boutique hotels, this guide has the information. There's advice on where to dive in Bali and Lombok, how to arrange treks to the island's volcanoes and the top surf breaks. With detailed maps, The Rough Guide to Bali and Lombok gives you all the practical advice you'll need for a great adventure. Originally published in print in 2011, make the most of your holiday with The Rough Guide to Bali and Lombok. Now available in ePub format.

Is America Exceptional? Richard Balmert, 2016-06-25 This book continues the saga of the progeny of the Marciari family, founded in Florence during the Renaissance, wandering through many European countries, losing contacts but, over time, migrating to the new continent. Commencing as the Thirteen English Colonies in America are preparing to launch their struggle for independence from the mother country, the novel continues to present times a history of the United States. Told from the chronicles of family descendants, the reader becomes a part of the individual lives of those who created American Exceptionalism. Reflecting America, these cousins work closely with the titans of history. Through their records, we observe George Washington as he ponders the fate of the patriot troops at Valley Forge, experience the dangers of the unknown with the expedition of Lewis and Clark exploring the new lands obtained through the Louisiana Purchase from Napoleon Bonaparte, or live through the long trek across the United States in a covered wagon to California during the Gold Rush. We participate in the meetings

conducted by J P Morgan as he provides advice to President Cleveland in resolving the Panic of 1893 watch a cousin decline Teddy Roosevelt s invitation to join the Rough Riders or become absorbed with Woodrow Wilson s problems with his Peace Plans Suffer the agonies of loved ones killed in war the depravations and anxieties of those with jobs eliminated and homes lost in the Great Depression and Dust storms of the nineteen thirties The innovative new government generated administration and emulation As the nation grew in size population and wealth it gained the appellation exceptionalism becoming the envy of the world However the challenges facing the new culture soon demonstrated the ugly features of human nature Confiscation of Native Americans lands Enslavement of millions of Africans Barriers to immigration Delays in providing assistance to nations beset by invasion Wide income gap between the wealthy and poor Continuation of racial discrimination Violence perpetuated by gun ownership
