post conference workshops clearly underscores the event's status as premier international meeting in the domain. It thereby confirms the decision taken by the Constituting Committee of the conference series to take the step forward out of the national cocoons of its precursors ICVS and TIDSE and towards an itinerant platform reflecting its global constituency. Others are running from life on the land or cast into the sea through no fault of their own. There are merchants, pirates, privateers and raiders. They trade if they can but take what they want. *The Animal Tales Collection – Vol. 2* Sandra Ramos, Jorge A. Driving on the wrong side of the road, paying a small fortune for gas, eating strange foods and dealing with an unfamiliar temperature scale are just the start of Jimmy's and Jake's adventures. Tensions run high after the awards ceremony. Jimmy and Jake see how well connected Barry is within the games industry and know they can't offer him the sort of career and life a talented games developer deserves.
