Globalisation, Employment and Education in Sri Lanka Angela W. Little, Siri T. Hettige, 2014-05-23 Since the late 1970s Sri Lanka has undergone a socio economic transformation from protectionism towards economic liberalisation and increasing integration into the world economy Through a systematic comparison of these periods of economic change 1956 1977 and 1977 to the present Angela W Little and Siri T Hettige examine the impact of this transformation on education youth employment and equality of opportunity in Sri Lanka The book charts Sri Lanka s shift from a predominantly agricultural economy to one dominated by services and manufacturing a reduction in unemployment rising educational and occupational levels expectations and achievements and a reduction in poverty In turn it reveals a growing role for the private sector and foreign interests in post secondary education and a modest growth in private education at the primary and secondary levels as well as widening social disparities in access to qualifications training and skills The Sri Lankan experience of and engagement with globalisation has been tempered by a long running ethnic conflict that hindered economic and social development and diverted considerable public funds into defence and war Now that the war is won the challenge is how to invest in human resource development and the fulfilment of the expectations of youth from all ethnic and social groups This challenge requires serious policy analysis the generation of more state revenues the reallocation of existing public resources and a political commitment to the winning of a sustainable peace and stability This book makes an important contribution to the broader international literature on the implications of globalisation for education policy and practice and to the interaction of exogenous and endogenous forces for educational change It deals with the tension between the high social demand for education and the growing demand for specialised skills in a changing economy As such it has a wide interdisciplinary appeal across education policy and politics Asian education South Asian society youth policy sociology of education political economy of social change and globalisation

Development, Education and Learning in Sri Lanka

Angela W. Little, 2024-06-13 Sri Lanka s early achievements in education and literacy became well known among the international development community in the middle of the last century and were often used to benchmark progress elsewhere Development Education and Learning in Sri Lanka presents an illuminating narrative of changing education fortunes and inequalities based on half a century of research This research journey was undertaken in collaboration with Sri Lankan researchers island wide in myriad communities schools classrooms and education offices through conversations with countless parents teachers students community members trade union officers politicians and members of local national and

international development agencies as well as through extensive documentary analysis The book delineates the distinctive and changing features of the Sri Lankan education system through comparisons with systems elsewhere through an understanding of national political economic and social conditions crises and upheavals through changes in education policy and through shifting patterns of opportunity among diverse social groups These analyses are framed by themes in the international development discourse ranging from modernisation to basic needs to globalisation and sustainable development some of which themes have been influenced by the Sri Lankan story The book's overriding messages are the need to understand education and development in a country's own terms and to place learning at the heart of education policy situating it within broader conceptions of the purpose values and means of development Praise for Development Education and Learning in Sri Lanka Through rigorous and comprehensive research and a blend of local and global perspectives this book offers invaluable insights for academics and policymakers alike Tara de Mel Director Bandaranaike Academy for Leadership and Public Policy and former Secretary Sri Lanka Ministry of Education Reflecting on a career long engagement with education and development Angela Little brilliantly co-locates the personal political and the theoretical A privilege to read Simon McGrath University of Glasgow This passionate engagement with education reform and development offers very instructive lessons for academics and policymakers in Sri Lanka and beyond Siri T Hettige University of Colombo Fifty years of personal experience in Sri Lanka from many vantage points A focus on education and society rather than education alone And a concern to understand rather than prescribe This book has no competitors Mick Moore Institute of Development Studies Sussex

Sri Lanka Jonathan Spencer, 2002-09-11 In the past decade Sri Lanka has been engulfed by political tragedy as successive governments have failed to settle the grievances of the Tamil minority in a way acceptable to the majority Sinhala population The new Premadasa presidency faces huge economic and political problems with large sections of the island under the control of the Indian Peace Keeping Force IPKF and militant separatist Tamil groups operating in the north and south This book is not a conventional political history of Sri Lanka Instead it attempts to shed fresh light on the historical roots of the ethnic crisis and uses a combination of historical and anthropological evidence to challenge the widely held belief that the conflict in Sri Lanka is simply the continuation of centuries of animosity between the Sinhalese and the Tamils The authors show how modern ethnic identities have been made and re-made since the colonial period with the war between Tamils and the Sinhala dominant government accompanied by rhetorical wars over archeological sites and place name etymologies and the political use of the national past The book is also one of the first attempts to focus on local perceptions of the crisis and draws on a broad range of sources from village fieldwork to newspaper controversies Its interest extends beyond contemporary politics to history anthropology and development studies

Country Papers: Sri Lanka (2 v.), 1997 **Revisiting EFL Assessment** Rahma Al-Mahrooqi, Christine Coombe, Faisal Al-Maamari, Vijay Thakur, 2017-01-10 This book examines acknowledged practices and demonstrates to teachers how to make the most out of

their assessment practices It also explores different assessment methods for skills such as reading writing listening and speaking Forecasting the future of assessment and where concepts like alternative assessment and dynamic assessment are heading it also shows how relatively new teaching methods such as communicative methodologies and problem based learning are reflected in assessment This book represents a forum where contributors have presented their research and innovative ideas and practices on the important topic of assessment and opened a fresh debate on it It offers an excellent reference guide for EFL teachers practitioners researchers and testing and assessment specialists Each chapter examines central issues in assessment and their connection with teaching and learning in EFL contexts **IIMI Country Paper, Sri Lanka** ,1991 Sri Lanka Walter Nubin,2002 This book provides an overview of the development of a small country which on the one hand is unique and on the other hand is also an interesting reflection and microcosm of the global economy Sri Lanka s development is one of the contrasts complicated by social conflicts and ethnic tensions Social political economic and constitutional developments are considered This is in accordance with the Sri Lankan tradition of seeing the world as a connected whole The Democratic Socialist Republic of Sri Lanka formerly known as Ceylon is an island in the Indian Ocean approximately 18 miles off the south eastern coast of India with a population of about 19 million Density is highest in the south west where Colombo the country s main port and industrial centre is located Sri Lanka is ethnically linguistically and religiously diverse Sri Lanka follows a non aligned foreign policy It participates in multilateral diplomacy particularly at the United Nations where it seeks to promote sovereignty independence and development in the developing world *IMF Staff papers* International Monetary Fund. Research Dept.,1989-01-01 The determinants of current account imbalances under floating exchange rates are analyzed The analysis provides a framework within which the sources of and the remedies for the current account imbalances between the United States Japan and the Federal Republic of Germany can be discussed The effects of various government policies are emphasized in particular the differences between expenditure changing and expenditure switching policies Short run and long run considerations are investigated as well as the role played by expectations and price level dynamics **CLAT UG Entrance Exam 2024 - Common Law Admission Test - 10 Practice Tests, 10 Sectional Tests and 3 Previous Year Papers (Solved MCQs)** EduGorilla Prep Experts,2023-09-25 Best Selling Book for CLAT UG Entrance Exam with objective type questions as per the latest syllabus given by the Consortium of National Law Universities NLUs Compare your performance with other students using Smart Answer Sheets in EduGorilla s CLAT UG Entrance Exam Practice Kit CLAT UG Entrance Exam Preparation Kit comes with 23 Solved Tests 10 Practice Tests 10 Sectional Tests 3 Previous Year Papers with the best quality content Increase your chances of selection by 16X CLAT UG Entrance Exam Prep Kit comes with well structured and 100% detailed solutions for all the questions Clear exam with good grades using thoroughly Researched Content by experts The Impact of High-Stakes Examinations on Classroom Teaching Dianne Wall,2005-12 Publisher description *20,000 MCQs - General Studies - Subjectwise Question Bank based on*
