Live Like a Guide Dog Michael Hingson, Keri Wyatt Kent, 2024 A guide dog's guide to life's most important lessons

Michael Hingson's inspiring true story captivated the world when he and his guide dog Roselle escaped the Twin Towers together on 9/11, a story that became the New York Times bestselling book *Thunder Dog*. During decades of walking with guide dogs, he had learned a surprising truth that helped save his life that day: Being afraid can be a positive thing, one that prepares us to deal with any situation that befalls us. Now in *Live like a Guide Dog*, he reveals how to get equipped for whatever obstacles or challenges you may encounter as you make your way through the world. Train yourself to be brave just like a guide dog's training equips handler and dog to prepare for the unexpected. Learn to use your natural fear reactions as a way to focus and concentrate to make better decisions and turn your fear into courage and confidence. Apply eleven principles Michael has learned with his guide dogs to overcome the fears that you face every day. Join Michael on the joyful adventure of walking with loving and learning from guide dogs. **Confessions of a Guide Dog** Musket, Mark

Carlson, 2011-11-15 Have you ever wondered what a guide dog does? How do they know to lead a blind owner? Can they understand traffic lights? Most importantly, how does the owner know where to pick up the poop? This memoir answers these questions and more. It tells what guide dogs are supposed to do. They're smart, loyal, and well-trained, but not all dogs are created alike. Musket is proof of that. He's definitely got a thing for treats and belly rubs. For the first time, the dog has his say. Of course, he needed a little help with the typing since he doesn't have opposable thumbs. That's where author Mark Carlson came in. Still, Musket is the brains of the outfit. Mark and Musket tell their story with humor, emotion, and Musket's occasional contradictions. And at the end of the day, Musket somehow manages to be a great guide dog too. *Confessions of a Guide Dog* was written so a wonderful, devoted dog could reach out to those who haven't been lucky enough to meet him. Hell, make you smile, laugh, cry, and want to give him treats. This is their story. And they're sticking to it. Dreamers & Doers Janika

Vaikjärvi, 2015-12-13 *Dreamers & Doers* is the world's first book about women who have climbed Kilimanjaro. More than 50 authors of 30 different nationalities have contributed their inspirational stories to this one-of-a-kind book. The idea for the book was born a few years ago. An old Kilimanjaro guide told the author about his life and that he was working solely to support his grandchildren without his help, they could not afford an education. This little story was the beginning of something big: a book and a school textbook. *Women and Kilimanjaro: Children and education*. The mission of the book is to inspire women around the world to dream bigger and to do what is needed to fulfil their dreams. It also aims to draw attention to more equal opportunities for education for all children. Everyone who buys *Dreamers & Doers* provides one Tanzanian schoolchild with a textbook.
