because he rode in it Fitzgerald won't risk dying in order to find out He'll leave London and take Georgiana with him if they can get out alive For soon the pair find themselves hunted Little do they know they each carry within their past hidden clues to a devastating royal secret one they must untangle if they are to survive From the streets of London to the lush hills of Cannes from the slums of St Giles to the gilded halls of Windsor Castle A Flaw in the Blood delivers a fascinating tale of pursuit and the artful blend of period detail and electrifying intrigue that only the remarkable Stephanie Barron can devise
