The Voice of the Heart G. Peter Winnington,2006-01-01 The profoundly creative works of Mervyn Peake have fascinated readers for decades His Gormenghast sequence of novels recently serialized to great acclaim by the BBC stands as one of the great imaginative accomplishments of twentieth century literature In The Voice of the Heart G Peter Winnington the world s foremost expert on Peake explores his subject s well known fiction alongside the poetry plays and illustrations for which Peake is equally lauded He traces recurrent motifs through Peake s works and examines in detail his long neglected play The Wit to Woo Through close readings of all these elements of Peake s oeuvre Winnington ultimately offers unparalleled insight into one of British literature s most vibrant imaginations Life John Miller,Eliza Finkelstein,1998 The big questions about life are explored by such writers as Alan Watts Georgia O Keefe Albert Einstein Mother Teresa Albert Camus and Thomas Merton Eternal Heart Carl McColman,2021-06-29 The heart is where the human soul and God meet This is what teachings from Scripture and the mystics reveal the heart is the temple of God within us and within the heart we hold the key to live a truly divine life But how do we embody the tremendous love available to us deep in our hearts In

Eternal Heart Carl McColman author of The Big Book of Christian Mysticism invites us to create an optimistic visionary and imaginative path to personal happiness and fulfillment Weaving together teachings from the biblical tradition literature of the mystics and wisdom of the world s contemplative traditions McColman engages us in profound practical exercises for cultivating fuller more abundant and more satisfying lives The path of Christian Mysticism is a path of both contemplation and action By unlocking the mysteries in our hearts we discover a source of divine love deep within us a power for spiritual growth and for creating meaningful relationships and working together to change the world for the better *The Heart of Centering Prayer* Cynthia Bourgeault,2016-12-27 The best selling author of The Wisdom Jesus and The Meaning of Mary Magdalene demystifies the popular Christian meditation method rooted in contemplative prayer Centering Prayer is the path to a wonderful and radical new way of seeing the world It is not as is sometimes thought simply an act of devotional piety nor is it simply a Christianized form of other meditation methods Cynthia Bourgeault here cuts through the misconceptions to show that Centering Prayer is in fact a pioneering development within the Christian contemplative tradition She provides a practical complete course in the practice and then goes deeper to analyze what actually happens in Centering Prayer the mind effectively switches to a new operating system that makes possible the perception of nonduality With this understanding in place she then takes us on a journey through one of the sources of the practice the Christian contemplative classic The Cloud of Unknowing revealing it to be among the earliest Christian explorations of the phenomenology of consciousness Cynthia Bourgeault s illumination of the Centering Prayer path provides compelling evidence of how important the practice has become in the half century since it first arose among American Trappist monks and of its maturation and refinement over the ensuing years of sincere study and practice It will resonate with beginners on the Centering Prayer path as well as with seasoned practitioners
