Snowflakes on the Plains Golden Pens - Write Side Up,2015-07-26 If you are looking for diversity of style and content you are in the right place we are as different as Snowflakes on the Plains each with an exquisite pattern a delicate crystal of the same substance Sometimes one could even think that we are as different as chalk and cheese There is a love of nature the country the environment the trees and animals empathy for the soldiers and their loved ones men and women who died during the Great War excursions into fantasy There is a fascination with the meaning of life and death and the universe itself Exploring the past present and the future the hidden meanings behind it all and there is even a good dose of larrikinism to stop us being too serious or over pompous about any of these things **On the Wings of Winter** Subimal

Abby Armstrong,2023-04-20 *The Blood the Love and the Uninterpretable* is a spectrum of emotions Each section explores a variety of comfortable and uncomfortable aspects of life all of them leaning into the uncanny The first section the Blood focuses on the dirtier parts of life beginning with the poem titled *Mud* which presents the state of dirtiness as a positive rather than a negative The second section the Love is much like a series of love letters where every verse seeks honesty and

passion The final section the Uninterpretable focuses on exactly that the parts of life that are incapable of being interpreted or explained Overall this poetry book seeks to challenge typical patterns of thought and embrace the weird and sometimes uncomfortable emotions in life **Catalog of Copyright Entries** Library of Congress.
