So Much For That:

So Much for That Lionel Shriver,2010-03-09 Shriver has a gift for creating real and complicated characters A highly engrossing novel San Francisco Chronicle From New York Times bestselling author Lionel Shriver The Post Birthday World We Need to Talk About Kevin comes a searing deeply humane novel about a crumbling marriage resurrected in the face of illness and a family s struggle to come to terms with disease dying and the obscene cost of medical care in modern America

12 Weeks of Winter and Beyond Sandy McBay,2015-12-02 The death of a loved one is difficult for a myriad of reasons and coming to terms with our grief demands attention and energy Sudden unexpected death can be challenging to negotiate and requires some different coping strategies The simple word disbelief can be a significant hurdle for months Since each person s grief response is highly personal and individual to them this book is less prescriptive than it is one of honouring one person s response to the sudden death of her husband And while there are some common predictors in bereavement the telling of one s story is often the greatest healer

TPS Frequency Dictionary of Mandarin Chinese Michael Burkhardt,2010-05-20 The TPS Frequency Dictionary of Mandarin Chinese is not just another character frequency based dictionary It has been designed to provide students with a guide for learning new characters words and phrases gradually building upon characters already familiar The entries have been arranged according to a Triple Progression System in which words are grouped first by character frequency then by word frequency and filtered so that new words and phrases appear only after all of their component characters have been introduced
