Determinants of Substance Abuse Mark Galizio, Stephen A. Maisto, 2013-06-29 With the recent increase in the scope of drug and alcohol problems has come an awareness of the need for solutions In this context federal support for research on drug problems increased tremendously during the last 10 to 15 years with the establishment of the National Institute on Drug Abuse NIDA and the National Institute on Alcohol Abuse and Alcoholism NIAAA Funding from these and other sources has led to a substantial increase in the quantity and quality of published work related to substance abuse As data accumulate it is becoming more apparent that substance abuse problems are extremely complex and are influenced by a variety of biological psychological and environmental variables Unfortunately it has proved difficult to go beyond this conclusion to a description of how these multiple factors work together to influence the development of and recovery from drug and alcohol dependence The purpose of this book is to try to meet that objective by including in one volume literature reviews and theoretical analyses from a wide variety of drug researchers We chose the authors in an attempt to assure that each of the various levels of analysis appropriate to the substance abuse problems would be included In each case the author was asked to consider how the variables in his or her particular domain might contribute to the appearance of individual differences in both alcohol and drug problems

Premonitions Jamie Schultz, 2014-07-01 TWO MILLION DOLLARS It's the kind of score Karyn Ames has always dreamed of enough to set her crew up pretty well and more important enough to keep her safely stocked on a very rare very expensive black market drug Without it Karyn hallucinates slices of the future until they totally overwhelm her leaving her unable to distinguish the present from the mess of certainties and possibilities yet to come The client behind the heist is Enoch Sobell a notorious crime lord with a reputation for being ruthless and exacting and a purported practitioner of dark magic Sobell is almost certainly condemned to Hell for a magically extended lifetime full of shady dealings Once you're in business with him there's no backing out Karyn and her associates are used to the supernatural and the occult but their target is more than just the usual family heirloom or cursed necklace It's a piece of something larger Something sinister Karyn's crew and even Sobell himself are about to find out just how powerful it is and how powerful it may yet become
