[The Only Way to Win](#) Jim Loehr, 2012-05-08 Why Winning with Character Is the Only Way to Win. The conditioning begins early in our lives. Great achievements will bring lasting happiness and fulfillment. Great achievements form the bedrock of stable self esteem and strong character. Great achievements will become the foundation for a successful life. If these well intentioned promises are true, why does winning never seem to be enough? In The Only Way to Win, Jim Loehr draws upon two decades of work with Fortune 500 executives, world class athletes such as Monica Seles, Dan Jansen and Eric Lindros, and other high achievers at the Human Performance Institute (HPI) to reveal surprising insights about achievement motivation. Specifically, Loehr finds that the blind pursuit of external achievement often results in emptiness, addiction, and ironically poor performance. It's not really about what you achieve, he argues; it's about who you become as a consequence of the chase. As Loehr powerfully demonstrates, success at work and fulfillment in life
