

Certificat de spécialisation - CS26

Innovations sociales : économie sociale et solidaire, économie plurielle et société de service

Objectifs

Mieux maîtriser les enjeux de l'économie sociale et solidaire à travers une approche transversale des champs d'activité concernés.

Développer ses connaissances dans le domaine et enrichir ses expériences pour :

- acquérir de nouvelles responsabilités dans des structures de l'économie sociale et solidaire ;
- participer à l'élaboration de politiques publiques territoriales visant à promouvoir un modèle économique et social durable (emploi, insertion, politique de la ville, éducation populaire...);
- animer ou créer un projet innovant ;
- se spécialiser dans une activité à vocation d'utilité sociale et collective ou développer un service à la personne (petite enfance, personnes âgées, environnement, « quartiers », insertion par l'activité économique...).

Public visé

Ce cycle s'adresse à des personnes déjà engagées dans la vie professionnelle, responsables dans les collectivités territoriales, responsables et dirigeants dans l'économie sociale et solidaire (associations, coopératives, mutuelles, syndicats, entreprises sectorielles). Elles souhaitent bénéficier d'une spécialisation articulant étroitement approche théorique, connaissance des expériences et des nouvelles politiques publiques.

Pré requis

Niveau bac+4 ou expérience d'au moins 3 ans dans le domaine.

Partenariats

Méthodologie

Dans un contexte très évolutif, il est décisif que les acquis des recherches récentes puissent être rapidement transmis en formation. C'est sur cette articulation entre recherche et formation qu'est bâti l'ensemble du cycle.

L'autre caractéristique du certificat est le dialogue entre les acteurs et les chercheurs. Après l'introduction générale, les journées sont construites sur une interaction forte entre les praticiens et les chercheurs afin que les apports de ces derniers soient mobilisés comme des ressources pour les actions sectorielles et territorialisées. Chaque journée donne lieu à la remise aux participants d'un dossier documentaire, proposant une synthèse fiable et accessible des données fournies et des textes d'approfondissement.

Validation

La validation du cycle est prononcée par un jury au vu d'un mémoire rédigé par chaque élève à l'issue de sa formation et permet la délivrance d'un certificat de spécialisation.

Coût de la formation

Prise en charge employeur ou organisme : 3 000 €
à titre individuel : 1 500 €

Déroulement

12 journées de formation et 3 journées de tutorat collectif, pour un total de 90 heures, à raison d'une à deux journées par mois à partir de mai 2017 de 9h30-12h30 et 14 h-17 h.

Le programme détaillé est consultable sur le site :
