Exploring Internal Communication Kevin Ruck,2019-12-06 Exploring Internal Communication has long been the go to publication for internal communication public relations and human resources practitioners who want their practice to be grounded in research and guided by evidence based advice The new fourth edition has been comprehensively updated throughout to reflect the latest thinking in internal communication Notably the use of social media within organisations is explored in depth in recognition of the increasing integration of digital platforms A greater understanding of the different communication roles played by line managers and senior managers is emerging and this is reviewed to help managers understand what is expected of them and how to succeed as they communicate with employees And the demands of channel management are becoming increasingly complex this edition helps practitioners negotiate this challenge Enriched with models tips and case studies this book is an indispensable tool for both students and practitioners alike

Warrior Mother Victoria Riollano,2023-04-04 A precious hard won battle tested companion for Christian mothers who seek to stand in their God given authority For every mother who desires to intentionally close the gaps and place boundaries around and within their children's hearts to overcome the enemy's snares this book is for you Quantrilla Ard PhD wrote the foreword A battle of wills with your kids A spiritual battle for their hearts A personal battle to wake up and take on another day of parenting challenges Moms face new fights every day But what does it really look like to become a warrior for Christ fully relying on his strength Especially when you can't find the energy to even step onto the field Victoria Riollano empowers and challenges mothers and gives them motivation It isn't about new tips and tricks to manage your child's behavior it's about seeking spiritual transformation for you Warrior Mother offers you practical and authentic perspective from someone who understands and meets you right where you are Warrior Mother is the playbook you need to move from defeated to defender Biblical insights will encourage you with reminders of mothers in scripture as examples of faithful trust suggestions for connecting with your Commander through prayer will fortify you and questions for reflection will help you reframe your strategies for the future Join Victoria and equip yourself for victorious parenting

Counseling Individuals Through the Lifespan Daniel W. Wong, Kimberly R. Hall, Lucy Wong Hernandez,2025-07-08 Counseling Individuals Through the Lifespan Third Edition introduces students to the fundamentals of the counseling process during each stage of human development

The Psychology of Personality Bernardo J. Carducci,2009-03-09 This engaging comprehensive introduction to the field of personality psychology integrates discussion of personality theories research assessment techniques and applications of specific theories The Psychology of Personality

introduces students to many important figures in the field and covers both classic and contemporary issues and research The second edition reflects significant changes in the field but retains many of the special features that made it a textbook from which instructors found easy to teach and students found easy to learn Bernardo Carducci's passion for the study of personality is evident on every page *Corporate Governance Mechanisms and Firm Performance* Shveta Singh, Monika Singla, 2022-05-12 This book begins by analysing the various corporate governance mechanisms explored in the extant literature and determining their effectiveness in enhancing the firm value using multivariate analysis The findings are of global relevance as the corporate governance regulations of most countries focus on independent directors as the mainstay of good governance The empirical evidence from the first objective of this study corroborates the claim that independent directors do not strengthen the firm's governance quality The book is one of the few works to have analysed the possible reasons behind the ineffectiveness of the independent directors Also in view of the famous concept of the bundle of governance mechanisms it might be possible that the independent directors strengthen the firm's governance quality indirectly by strengthening other governance mechanisms This aspect too has little precedence This study adopts a novel moderation and mediation approach to analyse the monitoring behaviour of independent directors in relation to other governance mechanisms The work is a must read for corporate players as well as researchers and scholars studying this discipline **The Politics of Conformity in Japan** Yukiko Nishikawa, 2025-06-13 This book explores the concept of conformity pressure or *d ch atsuryoku* in Japanese society and unveils its effects on law politics and business and vice versa Conformity pressure is explored from a unique perspective expanding on traditional psychological analyses by highlighting how conformity pressure acts as a force which interacts not only with psychological dynamics but also with formal and informal economic legal and political influences This book also demonstrates how conformity pressure can be comprehended as a societal force identifiable through socio political analysis in addition to traditional psychological analyses Through such examinations it reveals conformity pressure as not merely a by product of Japanese cultural uniqueness but also as an integral component of socio political dynamics crucial to understanding the essence of Japanese politics law and society Employing an interdisciplinary approach and incorporating aspects of economic political sociological and psychological analysis this book will be a valuable resource to students and scholars of politics and sociology particularly Japanese as well as social and political psychology Classroom Cheat Codes Todd Finley, 2025-12-22 Transform your teaching today with creative and tactical strategies Teaching can be exhilarating when creativity innovation and wide open enthusiasm are cranked up to the max In *Classroom Cheat Codes* Todd Finley offers visually engaging and practical strategies designed to energize your instructional approach What's Inside Inspiring Ideas Over 1 200 awesome instructional tips each accompanied by a unique graphic PD PLC Ready Design Each chapter includes previews of key strategies a unique mnemonic device reflection questions and a checklist of activities to try Evidence Based Insights to Common Problems Experts are cited for

solutions to Lesson Starters How to Increase Participation in Whole Class Discussions What to Do When Kids Refuse to Do the Work How to Help Students with Executive Function Issues and much more By the end of this toolbox you ll not only have ideas to try tomorrow but also the confidence to create dynamic student centered learning environments that foster engagement deeper understanding and unforgettable classroom experiences for everyone Psychiatry in Law / Law in Psychiatry, Second Edition Ralph Slovenko,2009-03-03 Psychiatry in Law Law in Psychiatry 2nd Edition is a sweeping up to date examination of the infiltration of psychiatry into law and the growing intervention of law into psychiatry Unmatched in breadth and coverage and thoroughly updated from the first edition this comprehensive text and reference is an essential resource for psychiatry residents law students and practitioners alike **The Psychology of Criminal and Antisocial Behavior** Wayne Petherick,Grant Sinnamon,2016-12-15 The Psychology of Criminal and Antisocial Behavior Victim and Offenders Perspectives is not just another formulaic book on forensic psychology Rather it opens up new areas of enquiry to busy practitioners and academics alike exploring topics using a practical approach to social deviance that is underpinned by frontier research findings policy and international trends From the relationship between psychopathology and crime and the characteristics of catathymia compulsive homicide sadistic violence and homicide victimology to adult sexual grooming domestic violence and honor killings experts in the field provide insight into the areas of homicide violent crime and sexual predation In all more than 20 internationally recognized experts in their fields explore these and other topic also including discussing youth offending love scams the psychology of hate public threat assessment querulence stalking arson and cults This edited work is an essential reference for academics and practitioners working in any capacity that intersects with offenders and victims of crime public policy and roles involving the assessment mitigation and investigation of criminal and antisocial behavior It is particularly ideal for those working in criminology psychology law and law enforcement public policy and for social science students seeking to explore the nature and character of criminal social deviance Includes twenty chapters across a diverse range of criminal and antisocial subject areas Authored by an international panel of experts in their respective fields that provide a multi cultural perspective on the issues of crime and antisocial behavior Explores topics from both victim and offender perspectives Includes chapters covering research practice policy mitigation and prevention Provides an easy to read and consistent framework making the text user friendly as a ready reference desktop guide *Intercultural Communication for Everyday Life* John R. Baldwin,Alberto González,Nettie Brock,Ming Xie,Chin-Chung Chao,2023-09-08 INTERCULTURAL COMMUNICATION FOR EVERYDAY LIFE Face the global challenges of the future with this accessible introduction to communication across boundaries Communication between cultures can be challenging in a number of ways but it also carries immense potential rewards In an increasingly connected world it has never been more important to communicate across a range of differences created by history and circumstance Contributing to global communities and rising to meet crucial shared challenges human rights disputes refugee crises the international climate crisis depends in the

first instance on a sound communicative foundation Intercultural Communication for Everyday Life provides a thorough introduction to this vital subject for students encountering it for the first time Built around a robust and multifaceted definition of culture which goes far beyond simple delineation of national boundaries it offers an understanding of its subject that transcends US centricity The result updated to reflect dramatic ongoing changes to the interconnected world is essential for students of cross cultural communication and exchange Readers of the second edition of Intercultural Communication for Everyday Life readers will also find Accessible definitions of core concepts Revised and updated chapters reflecting the COVID 19 crisis climate change challenges and more An all new chapter on social media as a tool for intercultural communication Intercultural Communication for Everyday Life is essential for students and other readers seeking a foundational overview of this subject

Untamed Suzana E. Flores, 2018-07-03 Wolverine Logan Weapon X By any name Marvel Comic s savage brooding antihero is in his own words the best at what he does killing with gratuitous precision Paradoxically violent yet humane the beer swilling cigar smoking mutant with retractable claws is universally misjudged in the Marvel Universe yet esteemed by fans worldwide The author explores Wolverine s development from bit character to modern legend over more than four decades with a focus on his enduring appeal as an allegory for resilience through torment

Fundamentals of Nursing Patricia M Nugent, Barbara A Vitale, 2013-11-12 Here s all of the crucial coverage you need to succeed in class and confidently prepare for the NCLEX RN From nursing theory legal and ethical issues and leadership and management to psychological support infection control and medication administration easy to follow outlines in every chapter review exactly what you need to know

Psychology, Sixth Edition in Modules David G. Myers, 2001-07 The hardcover spiralbound edition of Myers s new modular version of Psychology 6 e

Revisiting Truth, Beauty, and Justice: Evaluating With Validity in the 21st Century James C. Griffith, Bianca Montrosse-Moorhead, 2014-06-23 This issue discusses ways of constructing organizing and managing arguments for evaluation Not focused solely on the logic of evaluation or predictive validity it discusses the various elements needed to construct evaluation arguments that are compelling and influential by virtue of the truth beauty and justice they express Through exposition original research critical reflection and application to case examples the authors present tools perspectives and guides to help evaluators navigate the complex contexts of evaluation in the 21st century This is the 142nd issue in the New Directions for Evaluation series from Jossey Bass It is an official publication of the American Evaluation Association

Handbook of Psychology in Legal Contexts David Carson, Ray Bull, 2003-07-11 The second edition of this popular international handbook highlights the developing relationship between psychology and the law Consisting of all new material and drawing on the work of practitioners and academics from the UK Europe North America and elsewhere this volume looks not only at the more traditional elements of psychology and the law the provision of psychological assessments about individuals to the courts but also many of the recent developments such as the interaction between psychologists and other professionals decision making by judges and juries

and the shaping of social policy and political debate Contemporary and authoritative in its scope the second edition of The Handbook of Psychology in Legal Contexts will again prove to be a valuable resource for scholars and students as well as being a vital tool for all professionals working in the field Well known editors and an international list of authors most of whom are leaders in their field Focus on psychological concepts and knowledge that will enlighten best practice and research The focus on process and issues ensures that the book is not limited in interest by specific legal codes or legislation it is international More than an updating of the old chapters really a rethinking of the field and what is now important and emerging
