Budd, 2015-02-04 Examining essential aspects of American life John Budd investigates how informational sources print and broadcast media and other resources fall short when it comes to informing citizens failing our democracy and damaging the public good Public Management Carolyn J. Hill, Laurence E. Lynn Jr, 2015-09-23 Managing in the public sector requires an understanding of the interaction between three distinct dimensions administrative structures organizational cultures and the skills of individual managers Public managers must produce results that citizens and their representatives expect from their government while fulfilling their constitutional responsibilities In *Public Management Thinking and Acting in Three Dimensions* authors Carolyn J Hill and Laurence E Lynn Jr argue that one size fits all approaches are inadequate for dealing with the distinctive challenges that public managers face Drawing on both theory and detailed case studies of actual practice the authors show how public management that is based on applying a three dimensional analytic framework structure culture and craft to specific management problems is the most effective way to improve the performance of America's unique scheme of governance in accordance with the rule of law The book educates readers to be informed citizens and prepares students to participate as professionals in the world of public management *Strengthening Data Science Methods for Department of Defense Personnel and Readiness Missions* National Academies of Sciences, Engineering, and Medicine, Division on Engineering and Physical Sciences, Board on Mathematical Sciences and Their Applications, Committee on Applied and Theoretical Statistics, Committee on Strengthening Data Science Methods for Department of Defense Personnel and Readiness Missions, 2017-02-06 The Office of the Under Secretary of Defense Personnel Readiness referred to throughout this report as P R is responsible for the total force management of all Department of Defense DoD components including the recruitment readiness and retention of personnel Its work and policies are supported by a number of organizations both within DoD including the Defense Manpower Data Center DMDC and externally including the federally funded research and development centers FFRDCs that work for DoD P R must be able to answer questions for the Secretary

of Defense such as how to recruit people with an aptitude for and interest in various specialties and along particular career tracks and how to assess on an ongoing basis service members career satisfaction and their ability to meet new challenges P R must also address larger scale questions such as how the current realignment of forces to the Asia Pacific area and other regions will affect recruitment readiness and retention While DoD makes use of large scale data and mathematical analysis in intelligence surveillance reconnaissance and elsewhere exploiting techniques such as complex network analysis machine learning streaming social media analysis and anomaly detection these skills and capabilities have not been applied as well to the personnel and readiness enterprise Strengthening Data Science Methods for Department of Defense Personnel and Readiness Missions offers and roadmap and implementation plan for the integration of data analysis in support of decisions within the purview of P R

Shared Governance for Sustainable Working Landscapes Timothy M. Gieseke, 2016-08-05

Sustaining our agricultural landscapes is no longer just a technical scientific or even political problem but it has evolved into a socially complex so called wicked problem of conflicting social governance and economics This creates an extreme economic obstacle where the value of ecosystem services remains low and diffuse and the transactions costs remain high and multiple Using Uber like business platform technology and a shared governance model a symbiotic demand for environmental benefits is created Enabling multi sector transactions for environmental benefits this platform innovation would remedy the tragedy of the commons the economic nemesis to achieving landscape sustainability In a nutshell to sustain our agricultural landscapes a transdisciplinary approach supported by a shared governance model housed within a multi sided platform is needed This book introduces an assessment framework identifying governance actors styles and ratios for socio ecological systems The assessment uses a new governance compass to identify the types of actors completing which tasks and identifies the styles of governance used to complete the tasks It is aimed to anyone involved in sustainability science agricultural policy planning or integrated landscape design

Williams, 2025-05-20 An eye opening urgent call to mend the broken relationship between college and non college grads of all races that is driving politics to the far right in the US Is there a single change that could simultaneously protect democracy spur progress on climate change enact sane gun policies and improve our response to the next pandemic Yes changing the class dynamics driving American politics The far right manipulates class anger to undercut progressive goals and liberals often inadvertently play into their hands In Outclassed Joan C Williams explains how to reverse that process by bridging the diploma divide while maintaining core progressive values She offers college educated Americans insights into how their values reflect their lives and their lives reflect their privilege With illuminating stories from the Portuguese admiral who led that country's COVID response to the lawyer who led the ACLU's gay marriage response and more Williams demonstrates how working class values reflect working class lives Then she explains how the far right connects culturally with the working class deftly manipulating racism and masculine anxieties to deflect attention from the ways far right policies produce the economic conditions disadvantaging the working class Whether you are a concerned citizen committed to saving democracy or a politician or social justice warrior in need of messaging advice Outclassed offers concrete guidance on how liberals can forge a multi racial cross class coalition capable of delivering on progressive goals *People's and Workers' Climate Justice*

Charter Futures for South Africa Vishwas Satgar, Jane Cherry, Awande Buthelezi, 2023-06-14 The world's first Climate Justice Charter emerged out of campaigning by the South African Food Sovereignty Campaign and Cooperative and Policy Alternative Centre during the recent drought 2014-2021 in South Africa. It was developed in dialogue with drought-affected communities, labour unions, social justice and environmental justice organisations, faith-based communities, youth and children, climate scientists and climate justice activists. Moreover, it translated climate justice ideas part of global struggles for the past two decades for frontline struggles in the country. This book focuses on South Africa but captures the dilemma of all Africa and the Global South. It lays bare the climate injustice and polycrisis in the world, the resilience of the peoples and the intergenerational crimes committed by perpetrators. We are slipping beyond injury time at the precipice. Read this book, share the message and join forces to chart the way to life and sanity. Nnimmo Bassey

Crisis Communication and Crisis Management Burton St. John III, Yvette E. Pearson, 2016-08-01 Crisis Communication and Crisis Management: An Ethical Approach is the only text on the market to provide students with the integration of ethical inquiry into the fundamentals of crisis communication. Authors Burton St. John III and Yvette E. Pearson combine comprehensive coverage of the key skills, concepts and theories of crisis communication with an extensive collection of contemporary case studies, giving students a strong understanding of the essential role that communicators play in moments of crisis. Students are encouraged to build upon their communication and ethical decision-making skills using a variety of stakeholder inventories, hypothetical scenarios, discussion questions and professional profiles. Students will also gain exposure to a mixture of discrete and ongoing crises, preparing them to manage both one-time crises and continuing crises.

Workplace Transformations in a Post-Pandemic Era S. Charles Malka, Helen MacLennan, Robert H. Tiell, 2025-11-28 Workplace Transformations in a Post-Pandemic Era examines the challenges our places of work currently face in the aftermath of the 2019 pandemic and the meaningful opportunities for change that are emerging. It addresses issues that are hotly and publicly debated by practitioners in the field and policy makers alike.

The Welsh Language Commissioner in Context Diarmait Mac Golla Chríost, 2016-07-20 It is the first book on the subject; much of the research data provides a unique insight to the development of government policy and is exclusive to this book. Several of the research results are quite striking and will be of great interest to academics and policy actors alike.

Contemporary Portugal Lawrence S. Graham, Harry M. Makler, 2014-07-03 Despite worldwide interest in the Portuguese Revolution of 1974, Portugal remained for most people a little-known and poorly understood country, neglected for years by social scientists. Editors Graham and Makler brought together for the first time in one substantive volume most of the leading social science experts on Portugal. The contributors' highly original research represents the best work generated by the International Conference Group on Modern Portugal at its two major conferences held in 1973 and 1976. The result is a comprehensive collection of essays discussing in detail the events leading up to the revolution, the causes of the military coup and the movement of a society on the brink of revolutionary upheaval toward open democratic

parliamentary elections As the first interdisciplinary study to span fifty years of Portuguese history from the Estado Novo of 1926 to the eventual social democratic republic this book stands alone in its field The specialist as well as the general reader will find insights into the dynamics of Portugal s people politics and economics

Behavioral Evolution and Integrative Levels G. Greenberg,E. Tobach,2014-05-22 First published in 1984 In this collection of essays Schneirla is identified as a scientist and citizen unafraid to hold and present unpopular ideas Schneirla had always been opposed to the hereditarian views that allowed for the politicalization of psychology and spoke out early against the idea of the genetic basis of behavior It is fitting that his ideas which still form the nexus of the major theoretical criticism of classical ethology now can be seen to stand in opposition to the hereditarian views of socio biology

The Role of the Royal Navy in South America, 1920-1970 Jon Wise,2014-01-30 This book demonstrates the importance of the presence of the Royal Navy in South America Historically there have been no treaty obligations and few strategic considerations in the region yet it is frequently referred to as forming part of Britain s unofficial empire The role of the Navy in supporting foreign relations and promoting commerce is examined during a period of the twentieth century which is often associated with the decline of the British Empire The Role of the Royal Navy in South America 1920 1970 shows how the Royal Navy reacted to changing circumstances during the post war decades by adopting a more pro active attitude towards the imperative of supporting naval exports It provides a scholarly investigation of this important peacetime role for the service and offers the first book length study of the Navy s involvement in the region during this period
