Social Media Monsters: Internet Killers (Lg Print) R. J. Parker,J. J. Slate,Jacqueline Cross,Hartwell Editing,2014-09-09 Stalkers rapists and murderers These criminals have all discovered uncharted territory through the open door of the internet and victims are piling up in their deadly playground Murder Kidnapping Cannibalism Suicide All of these themes can be found in this collection of true stories about killers who have used the internet to locate lure stalk or exploit their victims As you read through the case files of this book you will learn about the shocking lives led by online predators from all around the world These types of killers are identified as people who are motivated by a psychological factor some murderers are triggered by anger or jealousy others kill as a way to seek attention and some are merely in it for the thrill of the kill Unfortunately sometimes the real reasons behind these murderous acts are not always known or understood Anyone can fall victim to an online killer even if the perpetrator is living on the other half of the earth How can you protect yourself from such dangers In the last chapter of the book learn about the importance of online privacy and how to avoid sharing personal information online a potentially dangerous and deadly act

Social Media Monsters R. J. Parker,2014 *The Ken and Barbie Killers* Peter Vronsky, WARNING This book contains police and court transcripts of audio and descriptions of extremely graphic sexual violence contained in videotapes made by the perpetrators Paul Bernardo and Karla Homolka were so perfectly iconic as a newlywed couple that they were dubbed Ken and Barbie But their marriage had a dark side involving sex death and videotape The perfect couple first raped and murdered Karla s little sister and then kidnapped teenage schoolgirls whom they enslaved raped tortured and killed while gleefully recording themselves on video doing it Vronsky will take you on the journey from the Scarborough Rapist Bernardo to Bordelais Homolka s current last name and her return to Canada in

October 2014 from the island of Gaudeloupe where she lived for several years with her husband and three children WITH 21 PHOTOS **Shirley Turner** Kelly Banaski,2015-06-05 On November 6 2001 Dr Andrew Bagby was found dead in a parking lot for day use at Keystone State Park in Derry Township Pennsylvania He had been shot to death There were five gunshot wounds as well as blunt force trauma to the back of the head He had been shot in both the face and chest as well as the back of the head back and buttocks He was left face down in the parking lot in his scrubs next to his Toyota Corolla He died there The bizarre murder case of Andrew Bagby entails far more than death although it has that threefold It also brought to light a woefully inept Canadian legal system and the frighteningly dark mental descent of a woman scorned While evidence was steadily mounting against her Dr Shirley Turner dropped everything left her car apartment and every worldly possession and went back to Canada By the time Pennsylvania had an open warrant on her she was in St John s Newfoundland Canada There she gave birth to Andrew s son Zachary While in jail she wrote to a judge Against legal precedent this judge wrote her back and gave her legal advice on how to proceed with her case The United States presented evidence of her crimes and their investigation and findings thus far It was overwhelming Her lies were exposed her gun casings matched and witnesses placed her car next to his at the time of the murder What happened next is one of the strangest decisions in legal history

Marc Lépine RJ Parker,2015-04-01 WITH PHOTOS With extreme hatred in his heart against feminism an act that feminists would label gynocide a heavily armed Marc L pine entered the University cole Polytechnique de Montreal and after allowing the male students to leave systematically murdered 14 female students But what motivated L pine to carry out this heinous crime Mass murderer madman cold blooded killer misogynist political zealot Or was he simply another desperate person frustrated with his powerless status in this world NOTE The case of L pine has been debated among the most prestigious criminologists in the country This account entails some of the most controversial opinions of these experts to date The views of said experts are NOT those of the author Only one thing is known for sure L pine s actions on December 6 1989 radically changed this country and why he did what he did is much more complex than we will ever know This is the second book in Crimes Canada True Crimes That Shocked The Nation collection The third volume will be released in May by Peter Vronsky Paul Bernardo and Karla Homolka The Ken and Barbie Killers bit ly CRIMESCANADA Crimes Canada True Crimes That Shocked The Nation is a collection of 24 books being produced by VP Vronsky Parker Publications an imprint of RJ Parker Publishing Inc Peter Vronsky is a Canadian author of one of the most sold serial killer books worldwide Serial Killers The Method and Madness of Monsters RJ Parker is also a Canadian author publisher and has written 18 true crime books including bestsellers Serial Killers Abridged An Encyclopedia of 100 Serial Killers and Parents Who Killed Their Children Filicide **Backseat Tragedies : Hot Car Deaths** RJ Parker,JJ Slate,2015-04-14 When we hear about these cases of children forgotten in their car seats left alone in the hot sun to die our first reaction is to instinctively blame the parent or caregiver We think how could anyone forget about their own child for a moment let alone hours But the awful reality is that

these tragedies happen to people from all walks of life Many of the parents detailed in this book never thought such a thing could ever happen to them They were wrong On average thirty seven U S children die each year after becoming trapped or forgotten in a hot vehicle Between the years 1998 and 2014 636 children perished inside a hot car in the United States The numbers are staggering The stories are heartbreaking But what can we do about it In Backseat Tragedies Hot Car Deaths bestselling true crime authors RJ Parker and JJ Slate explore the circumstances that led to the deaths of over twenty children who died of hyperthermia or heatstroke in a car They explore the science of how quickly a car can heat to deadly temperatures and why the human brain can so easily be tricked into forgetting something as important as a child They also highlight important steps we can take as a community to prevent future casualties Spreading awareness about the reality of hot car deaths is the first step toward eliminating these tragedies WITH PHOTOS

The Staircase: The Murder of Kathleen Peterson RJ Parker,2018-09-15 On December 9 2001 the bloody body of Kathleen Peterson was found dead at the bottom of the stairs in the North Carolina home she shared with her husband and novelist Michael Peterson My wife had an accident Peterson says on the 911 call She s still breathing She fell down the stairs However blood splattered evidence and a missing fireplace poker suggested it was a cold blooded murder Within two years Michael Peterson was convicted of first degree murder and sentenced to life in prison During Mike Peterson s trial Duane Deaver blood spatter expert gave his testimony in which he explained that the blood present on the staircase wall and on Michael s clothes was evident that the accused was guilty of the first degree murder charge of Kathleen Peterson His testimony played a crucial role in sending Michael behind bars His perjury testimony played a decisive role in Peterson being

released The trial that followed was full of interpretations and cockamamie theories blaming the death on everything from an owl attack to connecting it to a second death similar in nature that of his once neighbor Elizabeth Ratliff who also was found dead at the bottom of stairs Was the 911 call all an act What about the owl theory What was the motive What happened to the murder weapon Was there an accomplice who got rid of the weapon What really happened on The Staircase Based on the very bias Netflix documentary *IN CHAINS: The Dangerous World of Human Trafficking* RJ Parker, PhD, Alan R. Warren, PhD, 2019-04-25 Human trafficking is the trade of people for forced labor or sex It also includes the illegal extraction of human organs and tissues And it is an extremely ruthless and dangerous industry plaguing our world today Most believe human trafficking occurs in countries with no human rights legislation This is a myth All types of human trafficking are alive and well in most of the developed countries of the world like the United States Canada and the UK It is estimated that 150 billion a year is generated in the forced labor industry alone It is also believed that 21 million people are trapped in modern day slavery exploited for sex labor or organs Most also believe since they live in a free country there is built in protection against such illegal practices But for many this is not the case Traffickers tend to focus on the most vulnerable in our society but trafficking can happen to anyone You will see how easy it can happen in the stories included in *In Chains* WARNING This book contains graphic details and statements that some may find very disturbing **Monsters in the Closet** Adam Butler, 2020-10-13 From pornographic videos of rape and incest to sexual predators around every corner from online challenges teaching children how to commit suicide to resources teaching them how to conjure up demons from social media trends praising abortion to completely redefining what it means to be human these are the monsters in the closet which children and teenagers are being exposed to America is facing a drastic moral decline and we are only seeing the beginning of the avalanche Narratives which directly attack God's word are being fed to young people These monsters are very real and may be much closer than you think Learn about the harmful indoctrination and lies being spread through the internet social media and even the classroom and how you can combat them **Forensic Analysis and DNA in Criminal Investigations: INCLUDING COLD CASES SOLVED** RJ Parker, 2017-03-25 Including several cold cases that were most recently solved using forensic analysis Also the pros and cons of forensic science From ballistics and blood splatter patterns to DNA analysis and voice printing RJ Parker explores the highly complex world of investigative forensic sciences Intended as an introductory guide and reference to forensic techniques for front line police officers criminal attorneys journalists crime authors and just interested readers this encyclopedic book is a must read for any true crime aficionado Parker examines various forensic techniques and principles of investigative sciences some of the historical figures in the evolution of forensics over the last two centuries and provides real cold case examples where forensic sciences were key to not only in identifying the guilty but also in clearing the innocent and freeing the wrongly convicted **Monsters in the Spotlight** Augustine Ravenwood, 2024-09-23 Delve into The Dark Allure of Serial Killers and Their Grip on Society In a world where true crime

dominates our screens and headlines **Monsters in the Spotlight** How Serial Killers Captivate Our Culture offers a chilling and compelling exploration of our fascination with the darkest facets of human nature Why do we find ourselves irresistibly drawn to tales of terror and tragedy This book begins with a historical context tracing back the roots of our society's obsession with serial killers and how early public reactions have shaped our current morbid curiosity Dive deep into the psychological underpinnings that reveal what makes these killers tick Analyze common psychological traits and uncover what lurks within the minds of these infamous criminals Experience the visceral impact of media sensationalism as it catapults these monsters from the shadows to center stage Discover how newspapers and television have played a crucial role in creating a macabre form of celebrity status for these individuals The book doesn't shy away from the societal impact of this obsession detailing changes in public behavior law enforcement reactions and the moral complexities involved Ethical implications are considered deeply respecting victims and their families while dissecting the morality of our fascination Gain insights from expert interviews and psychological perspectives that offer explanations and theories on the nature versus nurture debate Understand the global perspectives and how different cultures perceive these sinister figures Finally step into the future implications of predicting serial killer behavior and how evolving public perceptions could shape our world Whether you're a true crime aficionado or a curious observer this book promises to captivate horrify and provoke thoughtful reflection on the enigmatic allure of serial killers in our culture
