Vincent Chabault

Société et Consommation Et Consommateurs:

Sociétés, consommation et consommateurs Desjeux dominique, Isabelle Garabua-Moussaoui, 2003-04-01 Loin des idées reçues de l'individu libre de toute structure sociale mais manipulé par les forces du marketing cet ouvrage explore les comportements des consommateurs en prenant en compte leur diversité leurs actions leur environnement social et culturel et leur place dans le système d'action marchand

Sociologie de la consommation Vincent Chabault, 2017-05-31 Cet ouvrage offre un décryptage sociologique de la consommation en l'envisageant avant tout comme une pratique sociale. Une véritable synthèse des approches théoriques classiques et des recherches contemporaines il apporte un éclairage sur les récentes évolutions des pratiques d'achat commerce en ligne consommation collaborative etc Il vise notamment identifier les processus sociaux l'œuvre dans les pratiques d'achat l'influence des facteurs sociaux et économiques sur les décisions des individus l'impact de l'action des industriels des distributeurs des professionnels du marketing et de la publicité et plus largement les évolutions de la façon dont se laborent les conduites de consommation dans un univers commercial omniprésent au sein duquel les individus sont face des possibilités de choix informés des dispositifs d'encadrement marchand et des logiques sociales sous-jacentes leurs actions

La place du consommateur dans l'économie dirigée Gaston Défosse, 1941

Guide pratique de la société de consommation Luc Thibaudeau, 2013 La Loi sur la protection du consommateur régit les contrats passés entre un consommateur et un commerçant. Notamment elle encadre la présentation et le contenu de ces contrats leur mode de conclusion et prévoit les garanties qui y sont attachées. Elle impose le cas échéant un rétablissement de l'équilibre des forces en présence par souci d'équité et de justice naturelle. La Loi sur la protection du consommateur impose aussi aux commerçants un code de conduite rigoureux qui les oblige à faire preuve de transparence et de loyauté envers leurs clients consommateurs. Sans passer en revue chacun de ses articles au peigne fin il est important de bien connaître non seulement la lettre mais aussi l'esprit de cette loi d'ordre public laquelle il ne peut être dérogé. La Loi sur la protection du consommateur régit ainsi une activité commerciale de premier rang dans notre économie celle du commerce de détail de la vente de biens et de services de consommation. Bien que la Loi sur la protection du consommateur confère plusieurs droits aux consommateurs ces droits peuvent avoir certaines limites lorsque l'équilibre tant souhaité par le législateur a pu être atteint. Ces limites sont importantes aux yeux des commerçants qui ne doivent pas être liés par une loi trop stricte qui les empêcherait d'exploiter leur entreprise. C'est l'économie de notre société de consommation qui en dépend. Résumé de l'auteur
