Javier Treviño, Karen M. McCormack, 2016-04-01 This book challenges sociologists and sociology students to think beyond the construction of social problems to tackle a central question What do sociologists do with the analytic tools and academic skills afforded by their discipline to respond to social problems Service Sociology posits that a central role of sociology is not simply to analyse and interpret social problems but to act in the world in an informed manner to ameliorate suffering and address the structural causes of these problems This volume provides a unique contribution to this approach to sociology exploring the intersection between its role as an academic discipline and its practice in the service

of communities and people With both contemporary and historical analyses the book traces the legacy characteristics contours and goals of the sociology of service shedding light on its roots in early American sociology and its deep connections to activism before examining the social context that underlies the call for volunteerism community involvement and non profit organisations as well as the strategies that have promise in remedying contemporary social problems Presenting examples of concrete social problems from around the world including issues of democratic participation poverty and unemployment student involvement in microlending disaster mitigation the organization and leadership of social movements homelessness activism around HIV AIDS and service spring breaks Service Sociology and Academic Engagement in Social Problems explores the utility of public teaching participatory action research and service learning in the classroom as a contribution to the community

Handbook of Research on Solutions for Equity and Social Justice in Education Etim, James, Etim, Alice, 2023-03-02 Education's role should further social justice prepare students to compete for higher social positions train workers and engage students so that they become active participants in a democratic society However as with many global systems education has long ago fallen victim to the institutional ailments of systematic oppression and discrimination In order to promote equity and social justice in education it is paramount that educators and administrators acknowledge systematic challenges in education and the solutions The Handbook of Research on Solutions for Equity and Social Justice in Education discusses how teachers and school administrators practice equity and inclusion in their schools It provides examples of social justice and how it affects society as well as specific case studies that aim at engendering equity and inclusion for minorities It further discusses these issues in a global context Covering topics such as agentic empowerment social justice in dialogue and teacher social justice advocacy this major reference work is a critical resource for faculty and administrators of both K 12 and higher education preservice teachers teacher educators school social workers and counselors librarians government officials researchers and academicians

The Politics of the Book Filipe Carreira da Silva, Mónica Brito Vieira, 2019-05-16 It is impossible to separate the content of a book from its form In this study Filipe Carreira da Silva and Mónica Brito Vieira expand our understanding of the history of social and political scholarship by examining how the entirety of a book mediates and constitutes meaning in ways that affect its substance appropriation and reception over time Examining the evolving form of classic works of social and political thought including W E B Du Bois's The Souls of Black Folk G H Mead's Mind Self and

Society and Karl Marx's 1844 Economic and Philosophic Manuscripts Carreira da Silva and Brito Vieira show that making these books involved many hands They explore what publishers editors translators and commentators accomplish by offering the reading public new versions of the works under consideration examine debates about the intended meaning of the works and discussions over their present relevance and elucidate the various ways in which content and material form are interwoven In doing so Carreira da Silva and Brito Vieira characterize the editorial process as a meaning producing action involving both collaboration and an ongoing battle for the importance of the book form to a work's disciplinary belonging ideological positioning and political significance Theoretically sophisticated and thoroughly researched *The Politics of the Book* radically changes our understanding of what doing social and political theory and its history implies It will be welcomed by scholars of book history the history of social and political thought and social and political theory

Mediation in the Reflection of Law and Society Lenka Holá, Miloš Večeřa, Martina Urbanová, Jan Holas, David Fiedor, 2021-12-08 Despite slow progress in use mediation continues to consolidate its presence in dispute resolution This important book argues that a more favourable socio legal climate must be created for mediation to thrive and accordingly analyses the legal cultural social systemic and spatial aspects of the use of mediation in the legal practice of the different countries of the European Union EU Based on a spatiotemporal analysis and models of mediation in the EU it pinpoints the social and cultural reasons for the fragmentation of its legal regulation and shows what paths are available to promote the effective implementation of mediation in social practice It is the first book to capture the socio legal context of mediation A spatiotemporal analysis of the extent of use of mediation in a region as large and at the same time as diverse as the EU has never been carried out before Using various methodological and conceptual approaches to analyse the legal and social aspects of introducing mediation to legal systems the authors all with long term experience in the exercise and research of mediation directly in the field provide invaluable insights into such facets of the use of mediation as the following the social context that raises the need for mediation obstacles to the wider use of mediation in resolving disputes between parties the effects of social influences reflected in legislation that shape the laws of each country the basic models that make up the system of access to mediation in specific EU Member States the role of law as a tool for social change and its reflection in the legal regulation of mediation and perspectives for further development of mediation in the EU The legislative efforts proposed to enhance the regulation of mediation in EU countries are based on modern knowledge of law sociology and psychology As a unique combination of exploration of the theoretical determinants of mediation and an empirical study of the extent of its use in the European area this book's fundamental contribution to the legal theory and practice of mediation is inarguable Its analysis of mediation from three perspectives as a means of improving citizens access to justice as a means of applying social justice in society and as a means of restorative justice are of the utmost value in today's global society For users of mediation EU institutions involved in mediation EU Member State authorities addressing the issue of mediation and the wider dispute resolution community

worldwide the book will be welcomed for the giant steps it takes toward refining arguments for the promotion of mediation and its development in theory research and practice *Suspect Subjects* Laura Borchert, 2025-03-18 Despite formal equality gains such as LGBTQ workplace protections *Bostock v Clayton County* 2020 heteronormative cultural orders still permeate queer rights discourse Laura Borchert engages with the cultural legal construction of sexual minorities in the US and deconstructs naturalized assumptions about the Queer in US law and culture by conducting interdisciplinary wide readings of legal texts She makes a strong case for utilizing suspect classification to secure queer rights and offers the first distinctively cultural studies perspective on equal protection and sexual orientation by using a queer hermeneutics of law

Our Social World: Condensed Jeanne H. Ballantine, Keith A. Roberts, Kathleen Odell Korgen, 2019-07-09

The authors are proud sponsors of the 2020 SAGE Keith Roberts Teaching Innovations Award enabling graduate students and early career faculty to attend the annual ASA pre conference teaching and learning workshop

Our Social World Condensed inspires students to develop their sociological imaginations to see the world and personal events from a new perspective and to confront sociological issues on a day to day basis

The award winning author team organizes the text around the Social World model a conceptual framework that demonstrates the relationships among individuals the micro level organizations institutions and subcultures the meso level and societies and global structures the macro level

The use of the Social World Model across chapters represented in a visual diagram in the chapter openers helps students develop the practice of using three levels of analysis and to view sociology as an integrated whole rather than a set of discrete subjects

The Condensed version is adapted from Our Social World Introduction to Sociology The Sixth Edition of the Condensed version is made approximately 30% shorter than the full edition by removing selected boxes editing the main narrative and combining four chapters into two Family Education and Politics Economics A Complete Teaching Learning Package SAGE Premium Video Included in the interactive eBook SAGE Premium Video tools and resources boost comprehension and bolster analysis
