DEA and scrubbed all records of Michael Campbell from existence so he could safely raise his son with the help of his sister Cait. As a parting gift, the agency created a new identity for him using only his middle and last name. In exchange for the anonymity, Ian used his new job as a high school English teacher to funnel information back to his former partner on the lower level drug dealers in and around the San Diego schools. Until the day he got word that Rojo Rodriguez had escaped when the rest of the major players in his cartel were captured in a raid in South Texas that is. With limited resources keeping the DEA and local law enforcement from having someone in Heart's Destiny Texas actively looking for the cartel kingpin, Ian moved there with his family to capture the man responsible for his wife's death. Charlotte Burleson didn't know the new English teacher she had to work with was actually a friend of her brother Jake and a former undercover DEA agent. She only knew him as a one-night stand she thought she'd never see again and the most infuriating man she'd ever met. After the most intense sexual experience of her life, Charlotte woke up to an empty bed with no information on how to contact the mysterious Ian for another round. Two weeks later, he showed up at her family's late Christmas celebration and acted as if they'd never met. He continued the charade of not knowing her when he started working in the classroom next door to hers at the beginning of January. Ian wasn't sure how to deal with finding out the hot as hell one-night stand he had on the night he interviewed for his new job was with the sister of a man he'd worked with on a joint task force a few years back and considered a friend. He had to keep his cover and not let on to anyone in town that he knew Jake Burleson before moving there. Not to mention the fact that he couldn't tell his friend Jake that he'd slept with his sister. So when the owner of the bed and breakfast where he and his family were staying until their rental was available for them to move insisted on taking them to a late Christmas celebration, Ian pretended he'd never met Jake or Charlotte. When he started work and realized he was supposed to coordinate the seventh grade lesson plans with her, Ian couldn't resist pushing her buttons to get a glimpse of the fiery passion he'd seen on their one night together. But even as hot as his time with Charlotte was, he couldn't risk getting burned if Rojo Rodriguez caught wind of his presence in town and went after her the way he had Mari. As danger loomed, the couple fought their instant attraction and growing connection, not realizing that standing together was the only way they could win in the end.

Faithfully Melissa Marks,2021-09-01 I wrote this book with raw emotions and stories to show anyone facing an invisible illness of any kind that he or she is not alone My personal conditions are centered on endometriosis infertility and loss but that does not necessarily mean that you need to be experiencing the pain of those three for this book to help you I have a

dream that one day everyone can feel known seen and understood no matter what battle they might be facing Everyone has a story to tell and I wanted to share mine with the world with a prayer to help at least one person see that he or she does not have to go through the uphill battle alone If you are anything like me you have more people in your life that do not understand you than the ones that do Cling to the ones that get you the ones that really understand your pain and do not fault you for the uncontrollable things that may come your way If I can pass down any advice it would be two things First once you set your mind to something stick with it Stand strong and know that in times where you feel alone all it takes is speaking up and you will see there are many people out there not all that different than yourself Second do not try too hard to get empathy from everyone in your life People can only give what they have The same goes for empathy Those who do not possess it cannot hand it out Always remember that the faithful fight really boils down to the strength it takes to keep fighting when no one can see your pain
