Handbell Ringers Bible D. Rod Lloyd, Learn Handbells from scratch or become a better Ringer This is the completely revised 2023 Handbell Ringers Bible I listened to all your comments and have made this even more comprehensive and easier to learn from A set of handbells creates ONE musical instrument They are always in tune and most ringers play only two bells plus their accidental making it one of the easiest musical instruments to learn and a lot of fun to play Having said that to play any instrument well you need to study and practice You don t need to be a musician to begin to play bells but you will be a musician once you have mastered the instrument and its techniques If you can count to four and know your left from your right you have the necessary qualifications You don t need a deep understanding of music theory I have selected the parts of music that you do need making it as simple as possible It is all too common for new handbell ringers to be thrown in at the deep end with just a short explanation of how to ring the bell and off they go playing in an
